1 - Sister

~~Naruto's Conquest

SisterCommissioned by Teiichi. Naruto sat on his bed with his arms wrapped around his knees. He stared down at his own knees in the darkness with sadness clearly in his eyes. He hated it. He hated the leaf for the way they had treated him for the past seventeen years.

All his life he was treated as an outcast for having the nine tails inside him. It wasn't like he chose his fate and he worked hard to prove that he wasn't a demon. He fought every threat that came against his village and yet never got any respect for it.

Despite who his parents are everyone looked down on him. In fact his parents had left him behind in the village while they left to train his younger twin sister Kimiko to defeat the masked man who attacked their village. Even though they were back they didn't care about Naruto he was simply a necessary sacrifice to them to keep the village safe.

Naruto balled up his fist. He was nothing to everybody and he finally had enough of it. His body trembled with anger. He glared straight at his door. There more than one way to get revenge on a village that rejected him so harshly.

*

Naruto walked up to his sister's bed. He had entered the bedroom as quietly as possible so she wouldn't wake up. He stared down at the sleeping form that everyone in the village was so proud of. His sister had long red hair like their mother, but otherwise looked like a female him. He had been the one to stop Obito, yet no one gave him credit for that, all they saw when it came to the children of the fourth Hokage was her.

In his right hand he held a ball gag. He lifted it up; he wasn't going to let anything get in the way of his fun. He gently lifted her head and tied on the gag. He then bound her arms above her head with a leather strap. After that he tossed the covers off of her.

He shiftily unbuttoned her night clothes. The frustrated boy sat in between her legs, spreading them apart. He slid down her pants and panties that expose her pussy to him. He spread her legs open and lowered his face down to her lower entrance.

He rolled his tongue over the lower lips. His sister let out a grunt. Naruto used his thumbs to spread open the entrance. He pushed his tongue inside her, flapping it around to start to get her juices to flow.

His sister moaned, feeling something inside her mouth that woke her up. She opened her eyes as her body heated up. She looked down to see Naruto eating out of her pussy. She tried to shout, but her mouth was gagged and she quickly found her hands bound above her head.

Naruto took his tongue out of his sister's now dripping wet pussy. He quickly wrapped his mouth

around her clit and sucked on it hard. Kimiko arched her back and shut her eyes as she let out a muffled scream. She parted her eyes, forming tears as she did her best to struggle.

Kimiko's juices flowed while her clit harden. Her body burned up in lust that was taking away her moral mind. She turned her head to the side. She stared at the door as if she hoped somehow her parents would hear and stop her demon brother from doing this.

Naruto brought his mouth back to give himself some room. He held two fingers out on each hand and stuck one set in her pussy and the others up her ass. A stinging wave shot up Kimiko's body and arched her back again. Her eyes rolled up with a muffled scream.

Drool dripped out of her mouth.

Naruto started to move his hands in and out of her. When one group pulled out the other went inside of her. Naruto continued to hear his sister's covered screams that only seemed to excite him more. He felt her juices drench his fingers and the heat of her holes.

Kimiko's tongue slid against the ball gag out of terrifying ecstasy. Naruto stuck an extra finger in each other to send further heat inside her body. Her inner pussy walls contracted around her brother's fingers while Naruto's fingers loosen up her asshole.

Heat and struggle thrashed throughout Kimiko's body. She struggled, but her body began to slowly submit to her brother's will. He stuck a fourth finger inside of her ass while his fingers moved faster in her pussy.

He then took it out and pitched her clit, moving it around. The feeling drove Kimiko crazy that had her mind go hazy. Naruto took all of his fingers out of Kimiko. He heard her muffle something as he sat back up on his knees.

Kimiko's body trembled as she stared lustfully at Naruto. "Ah, what's the matter? I didn't think you were the type to want your own brother to fuck you, Kimiko." Kimiko muffled out words that couldn't be understood.

Naruto leaned over her with his ear turned to her mouth to pretend he was trying to hear what she was trying to say. "What's that? You want me to ram my cock deep inside of you." Kimiko shook her head and muffled words again. Naruto nodded.

He moved back to stand on his knees again. "You want two cocks inside you. I can do that." He made the cross seal. "Shadow Clone Jutsu." A second Naruto puffed out of smoke on the floor just off of the bed.

Both of the teen boys pulled down their pants and boxers to reveal their erected cocks. The sight of the seven inches of length both Narutos sported frighten their sister. The two then removed the rest of their clothing.

They lifted Kimiko up with her fighting the whole time. "Here we go." The clone lied on the bed; he and the real Naruto lowered Kimiko's ass down on the clone's rock hard member raw. Kimiko screamed

into the gag.

The clone smiled at the feeling. He held open his sister's legs so Naruto could stick it right inside her pussy. "Now it's your turn." He felt Kimiko's tight inner walls squeeze his dick that made him clench his teeth.

Kimiko's eyes begged for Naruto to stop. Naruto simply smiled. He held his cock in his hand and lined it up with Kimiko's pussy. He stuck it in, stuffing his whole cock inside her. His sister's inner walls wrapped around his member.

Naruto let out a moan. He pulled back out to show his sister's juices covered his member. He then slid back in and started his pace as his clone started to pound into her ass. Kimiko shut her eyes. She muffled into the ball gag.

The pounding got more intense as both boys picked up their pace. The hard thrust sent heated waves up Kimiko's body. Her back arched and her eyes rolled up. Each boy grunted every time they thrust inside her.

Kimiko felt her juices flow out her faster. Her body was drenched in sweat and her mind was fading away as her struggling to break free turned into acceptance. Her body grew hotter from the double pounding. Pleasure filled her body each time one of the cocks thrust into her.

Kimiko let out muffled moans.

Naruto cupped her breasts and circled them around in circles to send further pleasure into his sister. Kimiko moaned even louder through the gag. Naruto wrapped his mouth around her right nipple, trickling it with his tongue. The nipple quickly erected.

Kimiko's juices ran out of her bottom hole faster. Her inner walls tightened around the cocks as the thrust into her to make her looser and easier to fuck. The clone then brought his mouth to the side of Kimiko's neck and started to lick it.

Fiery desire climbed further inside of Kimiko and could no longer think straight. Despite the fact that Naruto was her brother she couldn't help enjoy his skill. Naruto had clearly done this before, but she didn't know with who and right now she could care less.

Both cocks throbbed. Naruto took his mouth off her nipple and placed it on the other. He swirled his tongue around as he felt himself reach his limit. He thrust in faster and slammed in hard one finally time. His cum poured into her pussy and ass that caused Kimiko cum as well.

Naruto let out a long moan.

His clone disappeared now all used up.

Naruto then pulled his cock out of his sister as he took a breath. "Now that you've completely submit to me." He sat on top of his sister's chest, removing her gag. Kimiko took a heavy breath with her mouth open. Naruto shoved his cock inside her mouth.

Kimiko didn't even try to resist. She took Naruto's cock as he rammed his shaft into her mouth. Her tongue tasted the bottom of her brother's member while she had a heated fuck face. Her head started to move on its own, bobbing her head up and down the shaft.

A devious smirk appeared on Naruto's face. He had completely turned his sister into a bitch for his cock and she was only the first. He had plans for the leaf and it started with every woman that ever rejected him.

The door then opened. Naruto looked over to see his mother, Kushina entered with her hand still on the handle. "What's going on in here?" Her eyes then opened wide when she saw what her children were doing. "What, what is this?"-Please Comment-

2 - Mother

~~Mother Kimiko gladly sucked on Naruto's dick the man who sat right on top of her chest. Her hands were restrained over her head. She joyfully bobbed her head up and down the cock while her brother smiled.

Naruto looked over at the door to see his mother standing there with her hand on the knob. Her face was filled with shock. The red haired woman stepped forward. "Naruto! What do you think you're doing to your sister?"

Naruto simply looked up to the ceiling. Kushina followed her son's eyes to see that a shadow clone hanging on the ceiling. The shadow clone tackled Kushina to the ground. He flipped her on her back and just as she was about to yell the clone covered her mouth.

"Be quiet, we don't want pa to hear us," the shadow clone said. Kushina try to say something, but it couldn't be heard over the clone Naruto's hand. The clone stared directly into Kushina's eyes. He reached into his back pocket to pull out a mouth gag without the ball. "Let's have some fun, mother."

The clone took his hand off her mouth and tied on the gag that kept her mouth open. Kushina screamed as she trashed around to try to get free under her son's weight.

The real Naruto didn't want his mother breaking out of his grip and ruining his plans. He formed the cross seal, creating four more clones. Each of the clones held down one of Kushina's limbs. "That's better," the top clone said.

He unbuckled his pants. He pulled down his pants and boxers to reveal his rock hard cock. He grabbed his mother's head by her hair, lifting it up so he could shove his dick in her mouth. He forced her to bob her head up and down the shaft.

Kushina tried to bite down, but the gag forbid her too. Her tongue ran over the bottom of the shaft, tasting the warm meat. The clone let out a low moan. He shut his eyes and lowered his head. "That's good, ma. Keep doing it just like that, it feels really good."

He pushed his shaft further in his mother's mouth, putting it into her throat. He picked up his pace that made it harder for Kushina to breathe and swallow. The clone saw the painful look on his mother's face that only excited him more.

The real Naruto shot his cum into his sister's mouth. She swallowed the load like a thirsty slut. Naruto pulled out after he was finished. "So do you want keep going?"
Kimiko nodded.

Naruto got off of her. "Flip over and I'll fuck you right up the ass." Kimiko did as her brother said, lying on her back. Naruto's smile widened. His sister had completely fallen all that was left was to turn his mother.

The clone blew his load inside of Kushina's mouth. His cum rushed down her throat as her eyes rolled up in ecstasy. Her body trembled from the feeling. She hated how much she loved drinking cum; she was so addicted to it.

She always sucked Minato off to taste his seed now she was drinking her own son's and it tasted better than his father's. She drank it all down without resisting. The clone grinned at his lustful mother. "I didn't know you were such a whore for drinking cum, ma."

The Naruto that held Kushina's right arm looked at the other clones. "I think it's time we have some fun with ma too." The other three agreed.

The Naruto on top of Kushina got off of her. He breathed heavily. "That's fine by me I need a minute to get it up again. Ma, really knows how to suck a dick." The other clones flipped Kushina over and putted her up on all fours still holding her down.

One of the Narutos holding her arms and another who held her leg let go of her to take off their lower clothing and tossing them to the side. Their dicks were already erected and ready to fuck as Kushina stood there, catching her breath.

The Naruto behind her kneeled in between her legs. He lifted her dress to reveal her already wet panties. He yanked down her underwear before he latched onto her hips as he lined up his cock with her pussy. Her juices dripped out of her onto the floor.

The clone stabbed his cock right into her pussy. Kushina stuck out her tongue and let out a scream that was quickly muffled by the front Naruto's cock that was shoved into her mouth. Kushina's face was heated as she was being fucked by her son's clones' cocks.

Kushina's inner walls tightened around the cock inside her lower entrance. Her juices flowed down her hole, lubricated the shaft. The hole was burning hot that made the cock ram faster inside her that sent waving pleasure up her body.

Kushina tasted the member in her mouth, enjoying the hot piece of meat. She moved her mouth up and down the shaft. She wanted the salty taste of cum in her mouth again. Her tits bounced inside her dress as she was being pounded in from both sides.

"Wow, ma was easier to tame than sis," the front Naruto moaned.

"Yeah, I guess ma just really loves dicks." The back Naruto pounded in her pussy more than before. Kushina's juices flowed out of her and onto Naruto's sack that dripped onto the floor. He got up on his feet, bending over to shove his dick further inside of her.

He shut his eyes and enjoyed the warmth of the birth hole he came out of. He pounded into her pussy repeatedly that made him groan out in pleasure with each thrust. The head of his cock slammed into the entrance of her womb. "It feels so good."

The Naruto in front held the top of Kushina's head. He guided his mother over his shaft that had him

ready to cum. "Ah, I don't think I can take much more." After Kushina stroke her tongue over the bottom of the dick a few more times the clone shot his load down his mother's throat.

The other Naruto also blasted his load inside of Kushina.

The night continued with Naruto and his clones completely turning out his mother and sister. Kimiko was bent over on her bed, having the real Naruto slamming his member up her ass as she muffled her screams by biting down on her cover.

Meanwhile Kushina was turned back around on her back, being on top of a naked clone that had his dick up her ass. Another one was in front of her, pounding into her pussy, holding onto her hips. Two were on the side thrusting their dicks into her nipples with the last one on her right side. He had turned her head to the side to suck his dick.

Kushina's body was hot all over from the pleasure of having all her holes filled and her nipples pressed in by dicks. Her mind had disappeared as all she felt was the dicks fucking her body. She had a beautiful fuck face that turned the boys on even more.

The Narutos lowly moaned as they fucked the women so not to be heard by Minato. Still it didn't matter, the clones had locked and secure the door so they wouldn't be interrupted, but still wanted nothing to get in the way. That night only started the beginning of Naruto's conquest.

*

The next day, Kushina putted Naruto's breakfast down in front of him. She placed her hands on his shoulders and gave him a kiss on the cheek. "I hope you like your breakfast, sweetheart."

Kimiko sat beside her brother with a smile on her face. "Here let me help you with that." She cut Naruto's toast and began to feed it to him.

Minato lowered the newspaper he was reading to look at what was going on across the table. "Uh, what's going on?"

Kushina looked over at her husband. "I'm just giving Naruto his breakfast. I think we've been ignoring Naruto far too much, dear." She gave Naruto a hug around his neck as sweetly as she could. "He is our son after all."

"Uh, yeah." Minato seemed confused about how Kushina's opinion had change so suddenly.

Kushina then let go of Naruto and placed her hands on top of Naruto's shoulders. "Good then you won't mind spending some time with him."

Minato lowered his shoulders. "Um,..."

"Actually, I have to go see Hinata today," Naruto interrupted.

Minato eyed Naruto. "But she's getting married tomorrow?"

“I know that which is why I have to talk to her today,” Naruto said. He looked over at his sister that continued to feed him breakfast. Things were finally turning around for him.

3 - Hinata

~~Hinata Hinata slammed her palms into a patted long pole at the training ground. Sweat poured down her face as she was practicing her gentle fist style. She let out a battle cry every time she hit the pole with her palm.

After going at it for hours she bent over, catching her breath. She rested her hands on her knees. She had to get out of her house while her family prepared her wedding to Sasuke the man who was on the fast track to becoming the Hokage.

That however wasn't what she wanted. She didn't care how popular Sasuke was with the other ladies or how skilled of a warrior he was, none of that matter to her. The person she wanted the man she loved and confessed to was Naruto.

He may have been a demon to everyone else, but she knew the real Naruto and he was far from that. She knew the light side, but it seemed like Naruto became more and more restricted lately. He didn't show himself in the village now a days and she was truly worried about him; however she didn't know how she could see him without anyone knowing.

She unzipped her jacket, feeling too hot to keep it open. After she recovered, she turned around to face the forest. She knew she needed to get back before everyone started to look for her. She began to walk toward the forest when three shuriken flew out of the forest behind her, spinning around her.

Wires were attached to the spinning stars, pulling Hinata back into the practice pole she was hitting. The shuriken flew around, tying her to it. Her arms and legs were fully restrained by the wires as the shuriken landed on the back.

Hinata struggled to break free. "Don't fight to much," a voice came from ahead of her. Naruto landed in front of her. "I don't want to end up hurting you, Hinata."

"Naruto," Hinata said as she blushed.

Naruto smiled gently. He stepped forward and cupped the girl's cheek that made her blush even more. "I thought you were the only person who wouldn't betray me." He then took his hand off her cheek and latched it on her shoulder, pitching it. Hinata shut one of her eyes as Naruto glared at her. "But then you go and get engaged to Sasuke."

"But, Naruto...I never wanted to..." Hinata lowered her head, "my father is forcing me to marry him." Hinata hated it, but there was nothing she could do about it. She had given Naruto her heart sometime ago only to take it back when she told him she was going to marry the man who was suppose to be his best friend.

"You could have runaway with me," Naruto said. He placed his other hand on her other shoulder.

Hinata looked up at him with her eyes trembling. She never thought of that; she just knew what was required of her and always did her best to live up to it.

Naruto put a smirk on his lips. "There is one way you can make it up to me. Help me get my revenge on our village."

Hinata's eyes trembled in fear rather than realization now. "Naruto, what are you..."

Naruto wrapped his hand around Hinata's chin and pressed his lips against hers before she could finish her sentence. He placed his other hand on the pole. He slipped his tongue inside her mouth that the Hyuga didn't fight. Their tongues swirled around each other that had both of their bodies heated up.

Naruto descended his hand down to the wires, snapping them off of Hinata. His hand cupped her cheeks while he lowered his lips down to the side of her neck.

Hinata's body trembled as she shut her eyes. "Naruto, we can't...tomorrow I'm going to get married to-"

The name Hinata was about to speak enraged Naruto. He yanked down her pants that got Hinata to scream at the sudden action. Naruto lifted up her netted shirt along with her bra to reveal her large round breasts to his eyes.

He lowered his mouth down to her tits, flapping his tongue over her right nipple. Hinata's body heated up as she felt her legs growing weak and her lowering her head, moaning. Naruto cupped her breasts, roughly jiggling them around in his hands.

His mouth latched onto her nipple, sucking it. Hinata arched her back into the pole as she turned her head to the side and shut her eyes. Naruto knew her weakness was her tits, before she gave him the news about her marriage to Sasuke she had given herself over to Naruto several times so Naruto got to know her body very well before they had stop.

"Na-Naruto," Hinata muffled out. She putted her hand over her mouth, feeling embarrassed about the whole situation. She still loved Naruto, but she was to marry someone else and Naruto was talking about turning against the leaf. "I can't do this."

Naruto nibbled on her nipple that got Hinata to scream. He shoved Hinata down on her knees. "You think Sasuke is better than me don't you?" Naruto unbuckled his pants.

"No, I—" Hinata started.

Naruto pulled down his pants and boxers so Hinata saw his rock hard member right in front of her face that shocked her. "Then prove it!" Naruto glared down at Hinata. "Prove you meant everything you said to me before. You're not married yet."

Hinata slowly reached her hand up for the hot meat stick in front of her. Her cheeks were fully red. She didn't know why she obeyed Naruto so easily, but she did. Her hand wrapped around his cock and started to stroke it.

"Come on, you can do better than that," Naruto said.

Hinata moved her hand faster across her shaft. She let out a heavy breath, feeling the heat of the member and smelling its scent. She heard a low moan from Naruto that turned her on. She opened her mouth and lifted it to Naruto's lower head.

She lowered her mouth around it, taking half of the shaft inside of her mouth and partly down her throat. Naruto lifted his head and shut his eyes, letting out another moan. His body felt so good as Hinata gave into his will.

Hinata wrapped both of her hands around the base of the boy's cock. She bobbed her head up and down the member. Her tongue tasted the bottom of Naruto's dick; her tongue rolled over it that further stimulated Naruto.

She felt good, making Naruto feel good. She turned her head to the side to lick the side of Naruto's shaft, sending waving pleasure up Naruto's body. Naruto let out low groans. The taste of Naruto's cock got her hotter, feeling the need to make Naruto feel even better.

She cupped her own breasts, lifting them up and wrapping them around the lower half of the cock. Her mouth bobbed up and down the front half of the shaft while she moved her big soft breasts up and down the member.

"That's it, Hinata," Naruto said. "You know exactly how I like it."

Hinata shut her eyes. She stuffed more of the erected member in her mouth, getting it down her throat. Naruto's cock throbbed. Naruto clenched his teeth as he felt his body burning up to its limit of pleasure. "I'm about to cum."

Hinata took as much of Naruto's dick in her mouth as she could. The boy's cum blew down Hinata's throat that Hinata drunk down. Naruto pulled his cock out of Hinata's mouth and boobs and sprayed the rest of his cum over her tits and face.

Hinata stuck out her tongue, panting heavily from the warm sensation. She swallowed the cum that remained in her mouth. She missed how good Naruto could make her feel.

Naruto kneeled down in front of her, placing his hand on her shoulder. "Help me become Hokage and I'll make you my wife and make you feel good for the rest of your life." Naruto took his other hand and rubbed it against Hinata's crotch that was already wet with need.

Hinata pressed her legs together and rubbed them in anticipation. She nodded her head. "Yes, I'll do whatever you ask, Naruto."

A smile spread across Naruto's face. "Good."

4 - Sakura

~~Sakura Sakura hummed aloud as she prepared dinner at the Uchiha household. She stirred the soup that she was making not noticing anything around her.

Just outside the house that night, Naruto landed on the veranda on one knee. He stood up straight and slid open the door in front of him. He entered the house and headed down the hall to the kitchen. He easily found his way as he had been there before.

He spotted Sakura in the kitchen alone. He placed his hand on the door frame, placing a smile on his face. The pregnant mother to be looked very pretty in her dress and apron and since Sasuke was still out on a mission somewhere it was the perfect time to strike. He sneaked up behind the kunochi not making a sound as the girl continued to cook.

Naruto wrapped his arms around Sakura, cupping her now engorged breasts. Sakura let out a gasp. She looked back to see the dark perverted look of her former teammate.

”

“Naruto, what are you...”

“Don’t play dumb with me; I came to see how you were doing?” He jiggled Sakura’s tits in his hands while he pitched her nipples. “It’s been awhile since we’ve had any fun.”

Sakura’s face became lewd and heated. She stared at her secret lover of six months; ever since Naruto had Hinata restrain Sakura for him all those months ago he had successfully turned her into his personal slut.

“But Sasuke will be home soon. I don’t want him to know about our secret.” Sakura lowered her hand on her stomach, rubbing it. She looked down at her bloated stomach.

“Don’t worry about that, I have Hinata distracted him so we can have all the fun we want,” Naruto said. He licked behind her ear that made Sakura even hotter. “I want to taste that milk you’ve been forming for the past few months.”

Sakura’s tits leaked wetting her clothes. “Oh, please do it. Suck my tits, master.”

Naruto moved Sakura’s apron and dress in between her breasts. Her nipples dripped with her breast’s milk. Her eyes rolled up from the sheer feeling of Naruto touching her. She rubbed her butt up against Naruto’s crotch that began to harden. “Before I give you what you want I need you to make me a promise.”

“Anything.” Sakura shook her ass around to further harden Naruto’s dick.

“I need you to get Tsunade’s schedule for the next few days,” Naruto said. “I think it’s about time she started pushing for me to become the next hokage. Understand?” He pitched her nipples that squirted

her milk into the soup she was stirring.

"I'll do it, I'll do it just please drink my milk, master," Sakura begged.

"Alright." Naruto lifted Sakura's right breasts up so that her nipple pointed over her shoulder. Naruto latched his mouth around the nipple, sucking out her warm milk. Sakura's body heated up in ecstasy.

Sakura's eyes rolled up as her breast was being milked. "Ah, that feels so good."

"Sakura, I shouldn't be the only one enjoying your delicious milk," Naruto said. He lifted her other breast toward her face. "Suck your nipple while we'll at it." Sakura obeyed, sucking her own nipple growing even hotter in forbidden lust. Naruto clamped his mouth back on her other nipple as they both drank her breasts' milk.

Naruto grew so hard in his pants he couldn't take it anymore. He took one of his hands down to his pants to unzip them. His rock hard cock slipped out of his pants. He rubbed his dick up between Sakura's ass and pussy.

Sakura's juices flowed out of her onto Naruto's cock since she had nothing underneath her dress. Naruto rolled his tongue around the nipple before he let go. "So you're not even wearing any underwear. Were you expecting me to come, Sakura?"

"I was hoping," Sakura said as she let go of her own breasts. Her tits rolled around from them falling out of the two shinobi's mouths. Heated lust was clear on the pink hair woman's face. "Please use my cunt to milk your huge cock, master."

Naruto smiled. "Fine, but turn off that stove first I don't want you to burn your food for your loving husband." Sakura turned off the stove so the soup would set before Naruto turned her around and lifted up her dress to reveal her dripping wet pussy.

Naruto had a demonic lustful look on his face like he was ready to devour his pregnant mistress. He lifted Sakura up against the stove, slamming his cock into her lower entrance. Sakura moaned out. Her inner walls wrapped tightly around Naruto's dick, getting Naruto to groan.

Sakura's hot wet inner walls felt so good Naruto couldn't help immediately moving his hips to move further inside. He cupped both her large breasts with his hands that had Sakura have a heated fuck face with her eyes rolled up and her tongue sticking out like a bitch in heat.

Naruto latched his mouth around Sakura's left nipple while he moved her right breasts around in a circle. Sakura's milk leaked out of her into Naruto's mouth and over his hands. Naruto meanwhile repeatedly slammed his cock inside of her pussy that was reshaped for his large cock.

"Ah, ah, Sasuke could never fuck me this good, uh, yes, deeper, fuck me deeper," Sakura begged. Sakura's logical mind was all gone as she only felt Naruto's body fucking hers. She felt the sensation of Naruto's cock ramming into her, his mouth and tongue teasing her, and his hand moving her tit in circles. "I love it when you pound so deep inside of me."

Naruto took his mouth off the tit, blowing a hot heavy breath off the erected nipple which made Sakura even more lustful. "You've really become a slut, Sakura. I remember when thought of me as nothing, but a demon." He squeezed both of her tits with his hands.

Sakura screamed. "Yes, I'm so sorry, master. If I knew you were such an amazing master I would have never have mistreated you." Sakura moaned out each time Naruto thrust inside of her. Her inner walls squeezed on his dick, wanting to get his cum to pour inside of her.

Naruto then pulled on Sakura's tits like they were udders. Her breasts' milk squirted out, shooting all over Naruto's face, hair, and shirt. Naruto opened his mouth with his tongue stuck out to get a taste of the baby's milk. Sakura was definitely going to make a great mother for his child and was perfect for helping him make it a step closer to his goal of becoming Hokage.

Naruto swallowed as much milk as he could, continuing to squeeze her breasts. Naruto saw Sakura's lust increase even further as she fell to his will. She was almost as loyal as Hinata was, but Hinata would do anything for him without a single word back that's what made her more special than Sakura, plus she had a better body for him to fuck.

Naruto pounded in faster. He leaned in closer so he could go in deeper. Sakura's juices drenched Naruto's cock, making it easier for him to thrust. Her juices ran over his balls and dripped onto the floor. Naruto squeezed Sakura's breasts again.

He took both nipples in his mouth. He swirled his tongue around both the nipples before he nibbled on top of them. More milk poured into Naruto's mouth. He sucked and pulled on the nipples that had Sakura screaming for more.

Naruto slammed his dick fully in. He blew his load all the way into her womb. The feeling of his hot seed made Sakura cum as well. She screamed out in ecstasy.

-M-

The door to the kitchen slid open. Sasuke and Hinata entered the room as Sakura began to pour soup into individual bowls at the table for all of them to eat. Naruto sat at the table with a smile on his face. Both were cleaned up so no would suspect a thing.

"Naruto, what are you doing here?" Sasuke questioned.

Naruto looked up at the Uchiha. "Can't an old teammate come to see how his friends are doing? Especially since Sakura's pregnant I wanted to make sure she was alright since you were off on another mission."

Sasuke smiled. "I don't mind you checking up on my wife, but you better ask permission before you enter my home, otherwise I won't be so nice the next time this happens."

Naruto nodded stupidly. "Yeah, yeah."

Hinata placed her hand on Sasuke's chest. "Um, Sasuke...maybe you should take a bath to relax before dinner."

Sakura interlocked her fingers together and looked at her husband. "Yeah, I'll make sure Naruto doesn't eat all the food."

Sasuke shut his eyes and lowered his head with a confident expression. "That's not a bad idea. That mission was a bit tiring." Sasuke headed out of the room and went for the bathroom on the other side of the house.

Just as Sasuke left, Ino entered the room. "Hey, what's going on here? Naruto? What are you doing here?"

Naruto smiled up at her. "I came to see how my best friend's wives are doing?"

Sakura stepped in front of Ino while Hinata placed her hands on the blond girl's shoulders. "And Sasuke just went to take a bath so we have a good hour until he returns," Sakura said.

5 - Sasuke's Wives

~~Sasuke's Wives Naruto's jacket and black shirt lied off to the side. Ino was bent over the table with her maternity dress hiked up with her underwear gone. Naruto sat cross legged behind her, spreading her ass cheeks apart. He stuck a single finger up her butthole.

The sensation made Ino scream. She grabbed the table for dear life as her body trembled from Naruto thrusting his finger in and out of her butt. Her face became heated and she couldn't even figure out the words to say as Sakura and Hinata watched the scene.

Naruto smirked as he felt the butthole loosen up. He then took his finger out and slid his tongue over the back entrance that earned him a moan from the kunochi. The blond boy stuck his face between her cheeks, inserting his tongue into her asshole.

Ino lifted her head and stuck out her tongue. She moaned, feeling heat rush up her pregnant body. Ino was one month behind Sakura in the baby process, but her milk had already started to come in. Her eyes rolled up. "It feels so good."

Naruto swirled his tongue around in her hot heated walls that contracted around his tongue. Her juices dripped out of her pussy and fell onto Naruto's pants. Naruto gave her cheeks a squeeze that made Ino even crazier. "Yes, give it to me. I forgot how good it felt to have something up my ass."

Naruto pulled his face out of her ass. He took a breath, looking up at the girl. "I guess Sasuke wouldn't know anything about that." Naruto then stuck his thumb into her ass, moving it around. He used his other hand to stick two fingers into her dripping pussy.

"I haven't given it to you in months," Naruto said. "It seems you forgot who your master truly is." Ino's juices drenched his fingers and ran down his hand. His thumb was burning up in her tight back hole that was making Ino orgasmic.

"Yes, I did," Ino moaned. "I forgot how much better you were than Sasuke since you left me alone all these months."

Naruto chuckled. All three of Sasuke's wives were his sluts and were all carrying his children without the so called eagle eye sharingan noticing a thing. There was no way the Uchiha was better than him in anything and he would make a better hokage too. He just had to finish his conquest, but he also needed to keep his current harem in line so they wouldn't feel lonely and forget their place.

"Enough, of you just getting to have fun," Naruto said. He pulled his fingers out of Sasuke's third wife. "It's time all three of you take care of me." He undid his pants and pulled out his erection. Now get on your knees and service me." He sat back with his hands on the floor.

Sakura and Hinata came around the table as Ino turned around. The three women kneeled in front of Naruto; Naruto spread his legs so the girls could have more room. Sakura and Hinata climbed over the

legs to get up to Naruto's shaft.

Each girl took a side, licking up the member. Naruto merely smiled at his well train harem. All three girls had an erotic look on their faces as they licked Naruto's dick. Ino cupped his balls with her hand, massaging them and getting Naruto to moan.

All three beautiful kunochi had already hiked up their dresses with their underwear pulled down. They were so hot and in need they touched themselves, stroking their pussies that were dripping wet. They played with their clit and lower lips.

Hinata swirled her tongue around Naruto's tip. Her tongue further circled around the head of Naruto's cock. Sakura ran her tongue over the side of her master's dick, enjoying the taste better than her own lewd milk. Ino slid her tongue over the bottom, continuing to hold Naruto's balls.

Naruto's pre-cum leaked out into Hinata's mouth. Hinata continued to lick and suck on the head of the cock. She lowered her mouth down on the shaft, giving Sakura and Ino less length to lick. Ino went down to Naruto's balls and swirled her tongue all around the sack.

Sakura pulled her large breasts out of her dress and apron. She brought herself up to Naruto's side. "Why don't you have another taste of my tits, master?" Naruto took Sakura up on her offer. He cupped her breasts, giving them a squeeze.

Sakura's nipples leaked with her milk. He licked around the nipple, cleaning it off. He then latched his mouth around it, sucking out her delicious milk that made him hornier. Naruto's cock throbbed in Hinata's mouth.

The sensation of Ino licking his balls sent pleasure throughout Naruto's body. His body continued to feel the pleasure of Hinata's blowjob and the taste of Sakura's milk. Three beautiful pregnant women served his every need.

Naruto couldn't help laughing on the inside. They were once his classmates that ignored him and even went on to marry his best friend/rival, but right now all they wanted was him as they sneaked behind their husband. He would defiantly make sure all they ever wanted was him and never want to return to Sasuke when he finished lying out his plans.

Naruto blew his load inside of Hinata's mouth that she gulped down. He squeezed tighter on her tits that got Sakura to orgasm. Her juices and milk squirted out. Naruto swallowed her milk that fed his need to go even further.

Hinata took her mouth off of Naruto's still erected cock. She caught her breath as she looked up at her lover with a heated lustful look on her face.

Naruto took his mouth off Sakura's tit. He looked up at her with a strong gaze in his eyes. "Sakura, go stand watch while the rest of us have some more fun."

Sakura put her fingers to her lips. "But I want you to fuck me some more."

Naruto narrowed his eyes. He grabbed Sakura by her hand and brought her right in front of his face. "I'm the one in charge here, besides I fucked you penalty earlier now make sure Sasuke doesn't come in and ruin our fun got it or you'll never get my cock again."

"Yes, sorry master," Sakura said.

Naruto let her go so she could go to the door to keep watch. Naruto glared at her for a moment longer, before he looked down at his other two sluts. "As for you two get on your knees like a couple of dogs." Naruto made the cross hand seal. "Shadow Clone Jutsu."

Naruto created a second him for the girls to enjoy. The two women followed Naruto's orders, facing each other on all fours. The real Naruto kneeled behind Ino while his clone moved behind Hinata. Naruto stuck his dick right up Ino's ass that got her to scream out in ecstasy.

Naruto's clone rammed his cock into Hinata's pussy that got her just as excited from the feeling of the member. They grabbed onto the women's hips and started their pace inside of them. Hinata and Ino's inner walls tightly wrapped around the members.

The two Naruto's cocks rubbed against the heated walls that sent pleasure throughout all of their bodies. Sakura looked back from the door, watching the scene. She touched herself, wanting to be the one being fucked in the other two girls' places.

Naruto's cock rubbed against the walls. Ino's tight inner walls heated up the shaft. "Now go and make out with Hinata."

Ino moved forward, locking her lips with Hinata's. The two swirled their tongues around each other to make Naruto hotter. They let out hot moans. Their juices ran down their legs and Hinata's juices drenched the clone's cock.

Their bodies grew hotter and hotter as Naruto pounded inside of them. Their kiss became more passionate not able to control themselves and wanting to please their master. Their walls contracted tighter around the member that was inside of them.

Naruto picked up his pace inside of his pregnant sluts.

Sakura touched herself even more, reaching her own limits. She kept on thinking of Naruto pounding her silly. Her eyes rolled up as her breasts' milk leaked out. She let out a hot moan. Her face was heated as she reached her orgasm, letting out a joyful moan.

Naruto slammed in one last time. He blew his load inside both of the women, getting them to come. They screamed inside each other's mouth. Naruto shut one of his eyes. "That was good. We should do this again soon."

-M-

Sasuke slid the door open, fully dress after his bath. He saw the girls and Naruto sitting around the table still eating. They were all fully dressed again and cleaned up, minus Naruto not putting his jacket back

on. Sakura looked back at her husband. "Hi, Sasuke. It's about time you got back I had to hold Naruto off from eating everything."

Naruto chuckled. "They all had to hold me off."

Sasuke smirked. "Don't make them do it again. They can be difficult to handle even for you, Naruto."

Naruto rubbed the back of his head as he shut his eyes, pasting a smile on his face. "Yeah."

Sasuke slid the door shut and walked over to enjoy the meal.

6 - Tsunade

~~Tsunade Naruto slammed his hands on the Hokage's desk. He glared down at Tsunade who sat behind the desk. "I have every right to be considered as a candidate for the seat of Hokage!" His eyes glared at the current hokage.

Tsunade interlocked her fingers on top of her desk. "No one trusts a demon to be the leader of the village."

Naruto banged his hand on the desk. "Even after everything I've done for this village I stopped Gaara, defeated Pien, and even stopped Madara. What else do I have to do?" Naruto questioned. He clenched his teeth together.

"It doesn't change the fact you house the nine tails inside you," Tsunade told them. "And besides the last I check the five kage along with Sasuke." Tsunade slammed one of her hands on the desk and pointed straight at the teenage boy. "Without the support of the people you can't become a leader."

"Then I'll get the people's support," Naruto said.

Tsunade smirked. "Yeah, and how do you plan on doing that, tough guy?"

"By using the women." Naruto cracked a smile. His body became enveloped in the nine tail's cloak. He grabbed Tsunade's arm, pulling her out from behind the desk and slammed her back down on the table. He decided he would take the current hokage with Kuma's help.

He raised Tsunade's legs over her body so she would be in no position to fight him. Extra hands grew out of Naruto's back. They held down the powerful woman's hands so she couldn't try anything. Another hand came out of his chest, lifting up Tsunade's dress that showed panties to Naruto's eyes.

"Cut that out right now, Naruto!" Tsunade demanded. Her eyes trembled in fear. She couldn't move an inch on her own. The hand ripped off the panties that had the woman, screaming. Naruto grew another hand that latched over Tsunade's mouth to muffle her scream.

"Shut up, granny I'm going to make you my bitch before anyone shows up," Naruto told her. His hand that ripped off the Hokage's panties stuck the middle into her pussy that got Tsunade to scream into his hand.

Naruto's smile widened. He moved the middle finger faster inside the woman's pussy as he felt her getting wetter. "Well, aren't we a masochist. I'm going to love turning you into my cock sleeve."

Tsunade moaned out. Her eyes rolled up and the kyubi's hands were heating up the woman's body. Sweat rolled down her perfect skin and her juices flowed faster. Her moans grew more erotic.

Her chest lifted and lowered as she panted. Lust began to build up inside of her due to Naruto sending

the nine tail's charka into her body in the form of the fox's own lust. Tsunade's whole body grew so weak that Naruto felt he could retract the extra arms that were on her arms.

Naruto used the arm from his chest to pull down his pants. His erection sprung out. He leaned over Tsunade's body as he lined up his cock with her drenching wet pussy. He slammed himself in that had the Hokage moaning.

Naruto removed the hand that covered her mouth. He held up her legs by her ankles with his real hands. He pulled halfway out and slammed back in. He thrust into her so hard that it had her screaming.

Her tongue stuck out as she moaned from every thrust. Her body grew hotter and hotter as she got pounded inside of. The large member pushed against her drench inner walls. He pressed his body down on top of her, slamming deeper into her.

"Uh, uh, my pussy, my pussy, so good I—" Her breasts swirled around inside of her shirt, slamming against each other. Her nipples erected as her body became more turned on by the force intercourse. Her hands gripped the desk.

"Uh, what an amazing cock," Tsunade went on. "It's going so deep inside of me, ah. I don't want it to ever stop." Her juices flowed faster out of her onto Naruto's cock. Her body was turning into the boy's personal toy.

Two kyubi hands came out of Naruto's back, grabbing Tsunade's breasts. They swirled her large sack around, transferring more lustful energy into the woman. He was going to make her into the perfect punishment whore.

Naruto's extra hands then shredded Tsunade's clothing that scattered to the floor. Naruto's extra hands grabbed the woman's tits once again. He squeezed on them, getting Tsunade to scream even louder. Naruto picked up his pace inside of her pussy.

He moved his hands down under her breasts, pushing them up and down. He opened his jaw and came down on the tits, biting down on the boob. Tsuande cried out. The pain signals in her body confused it with pleasure.

Tsuande couldn't take it any longer. "Ah, I'm cumming, I'm cumming!" Her juices squirted out. Naruto continued to slam inside of her still having plenty to give her. He pulled on her boob as his cock throbbed inside the woman.

Naruto let go of the tit. Tsuande's boob jiggled around and little circles as Tsunade started to moan again. "We'll going to go at this until I'm satisfied and you give me your full support for Hokage, granny."

Tsunade breathed heavily. "I give you my, uh—my full support, I give it to you." Her eyes rolled up even further.

Naruto's cock throbbed faster. He grunted with each of his thrust growing hotter with lust. He shut his eyes. Tsunade's juices splashed out of her every time Naruto slammed his dick inside of her.

Naruto rammed his cock fully in. His cum blew into the fifty-something year old, filling her womb. He let out a long groan. He then pulled out his still fully erect cock with his cum spilling out.

Naruto lifted his head and took a breath. He then looked down at his latest slut with a smug look on his face. "If you really support me then," Naruto pointed down to his cock, "suck the dick of your future Hokage."

"Yes," Tsunade moaned. She managed to flip herself around, getting on all fours in front of the fox boy. She lowered her mouth down on the glowing orange member. It was hot in her mouth, but she was fully turned on.

She bobbed her head up and down the large cock. Her face was hot as she looked up at her master. Her tongue rolled over the bottom of the shaft to help make Naruto hotter. She brought her mouth up to the head and slurped on it.

The current Hokage turned her head to the side, lowering her mouth back down on the shaft. She bobbed her head down the member a few more times. She took her mouth off the cock. She rolled her tongue over the side of Naruto's dick.

Tsunade continued the blowjob by licking the shaft from the bottom up. Her mouth wrapped back around the cock. Naruto watched as the kunochi's chest bounced up and down from her mouth across his shaft.

Naruto smiled.

Shizune opened the door, rushing into the room. "Lady Tsunade, what was the scream I—" She stopped when she saw what was happening right before her eyes. Her eyes trembled and her body shook.

Naruto released his second load of the day. He sprayed it over Tsunade's face that the woman simply accepted. He looked back to see the assistant of the Hokage. "Hey there, Shizune." Naruto's body returned to normal.

"Naruto, what do you think you're doing?"

Tsunade licked up Naruto's cum that fell in her hand. A hot erotic look had appeared on her face as she did it.

"What do you think, granny?" Naruto asked. "Would Shizune make a good first supporter for me becoming Hokage?"

Shizune took up a defensive position, taking a step back. "What? Hokage?"

"Besides the Hokage, Jonin like Shizune have the most influence on deciding who will become Hokage," Tsunade answered.

Naruto turned around to face Shizune. He stretched his arms out to his sides. “Good news, Shizune. You just made the short list of becoming one of my closet sluts along with granny.” Naruto made the cross hand seal.

7 - Hokage's Office

~~Hokage's Office Naruto smiled up as he lied on the floor. His hands were latched on Shizune's hips as he forced her to ride him in the reverse cowgirl. Her clothes were ripped apart along with the weapons she tried to use to defend herself. Her juices flowed out of her unwilling onto Naruto's dick and balls.

Naruto had two of his clones on his side, forcing Shizune's hands to give them handjobs. The back of her thumb rubbed against the bottom of the shafts as the rest of the fingers moved around the rest of the sides. The two clones smugly smiled down at the woman.

In front of Shizune between the original's legs was another clone. He held the top of the woman's hand, making her blow him off. A gag was inside of her mouth so she couldn't bit down on the shaft. Tears ran down her face as there was nothing she could do.

Her tongue rolled over the bottom of the shaft, making the boy moan in pleasure. Her body bounced up and down on the shaft below her. Her hands slid across two hot shafts that started to throb. Her body was growing hotter and her inner walls tighten.

"Ah, I think it's just about time we give her, her award guys," the original said. "What do you say?"

"Oh, yeah she deserves it," the front Naruto responded.

"Then all at once boys," Naruto told them. Naruto rammed his cock into her, blowing his load into her pussy. The clones each blast their load, covering Shizune's body and shooting his load down her throat. Shizune was forced to drink it down and rolled her eyes up. She didn't know what to do.

The clones disappeared.

Naruto then threw her off his dick onto her floor. He rolled her onto her back and sat on her chest. He reached over for his pants that had already been tossed to the floor. He reached into his pocket and pulled out a small tin boxes

He opened the lid. "You know I had Sakura and Ino create these things for me. There suppose to increase a woman's pleasure with me tenfold so I guess I'll give it a try on you." Naruto pulled out one of the black ball shape pills out. He dropped it in Shizune's mouth. Shizune tried to spit it out, but Naruto forced her to swallow it.

Naruto then shut the lid and put the box down along with his pants. "Hmph, it should only take a few minutes to take an affect so just enjoy it." Naruto looked up at Tsunade who was still on the desk, touching herself while she watched her student get rape by the boy. "Hey Granny, get down here."

A joyful expression showed up on the hokage's face as she thought she was going to be fucked like Shizune was. She quickly descended off the desk and came over to the two. Naruto stood up, getting off of Shizune and taking out her gag. He pointed down at the woman.

Shizune's body started to quiver and heated up. Shizune couldn't control herself as her juices were beginning to flow out of her and milk she never had before leaked out of her breasts. She cupped her own breasts moving them around as she spread her legs open. "What's happening to me?"

Naruto ignored her words as he focused on his own plans. "Granny, I want you to clean my cum off her with your tongue and fuck her." A dark smile appeared on Naruto's face. "Do that and I'll reward you with the kyubi's cock."

Tsunade nodded with a fucked face expression. "Yes, master." She went down between Shizune's legs and started to lick out of Shizune's dripping wet pussy that was filled with the young ninja's cum.

Shizune rolled up her eyes. Her body grew even hotter and sensitive under her master's touch. She couldn't help enjoying the feeling only able to say, "Lady Tsunade, why are you obeying him?" After that all she could do was moan as she felt her pussy being licked and sucked.

Tsunade licked down Shizune's cum covered legs. Shizune had turned her head to the side, sticking two of her fingers in her mouth, circling her tongue around them as if they were a cock. She gave them a suck, moaning. She squeezed on her breasts, having her new found milk squeezed out.

The yuri sight turned Naruto on. His cock grew fully hard while he smiled, seeing Tsunade go up Shizune's body and Shizune, basically masturbating with her tits. Tsunade lapped up Naruto's cum and Shizune's milk.

The hokage finally made it to Shizune's breasts. She got on top of her student, pressing her lower lips against hers. She moved up and down to have their pussies kissing each other and their juices flowing out. Tsunade started licking the bottom of the other woman's breasts.

Shizune held her breasts down from the top, letting Tsunade clean her up and turn her on all at the same time. Her body heat continued to climb with ecstasy. She looked down at her master with a lewd face. She kept moaning out. "This feels amazing, Lady Tsunade."

Naruto stroked his cock in his hand. "Alright, granny I think you've earned your reward." The blond moved behind the two women and got down on his knees. He grabbed Tsunade's hips as he shoved his cock right up her ass.

Tsunade lifted her head and scream. Her face had become erotic.

"Now, make out with that student of yours," Naruto ordered.

Tsunade raised her head up to Shizune's level. Their breasts swirled around each other as they were being thrust into each other. Their pussies kissed more violently that had their juices running out of them faster. Tsunade stared straight down at her moaning student.

"Shizune," Tsunade said.

"Go ahead, earn your reward," Shizune replied.

Tsunade pressed her lips down on Shizune. She shut her eyes and instantly deepened the kiss as she felt Naruto's cock ramming into her back in. Her tongue twirled around Shizune's that had them both moaning. More milk leaked out of Shizune's breasts and their pussy juices ran down their legs.

Naruto smirked. The kyubi cloak wrapped around him, increasing the size of his dick that pushed further inside of Tsunade. Tsunade lifted her head and stuck out her tongue that made her feel like a fucking bitch in heat.

Her eyes rolled up. Her tits moved faster around Shizune's, being covered in the other woman's milk. She moaned like crazy feeling like her ass was being torn apart, but it also felt so good she didn't care. Naruto rammed his cock inside of her over and over again that increased Tsunade's pleasure. "I want it, I want this amazing cock inside me for the rest of my life. It's so amazing!"

Naruto slammed his dick in just the right spot to get Tsunade to come. Her juices squirted all over their legs as she cried out in bliss. Naruto wasn't finished yet, he didn't even get to cum, but he was done with the Hokage for the moment. He pulled out and tossed her to the side while she continued to show a face of total bliss.

He moved down on Shizune. "Now it's your turn."

Shizune held out her arms and kept her legs open. Both her breasts and pussy leaked and her face was the lewdest Naruto had ever seen. "Please give it to me, further hokage. I give you my full support with my body for your daily use." Her tongue was stuck out and she was already moaning despite Naruto not sticking it in yet.

Naruto chuckled at the ridiculously sight. He would defiantly have to thank Ino and Sakura personally for doing so well with the pills. He stroked his cock a few times to make sure it was ready. He then came fully down, stabbing his member into the woman's drenching pussy.

Shizune's insides were so wet that he just slid right in. Shizune wrapped her arms around the boy's back and shut her eyes, turning her head to the side. Naruto started his pace inside her and she was moaning for him not to stop.

Her mind had fully disappeared for pure pleasurable sensations of the kyubi's cock. Her body was transforming to fit Naruto's pleasure. Her breasts became more engorged and squirted out milk while her pussy reshaped to take on the monstrous cock.

Naruto's dick slid against her walls. Naruto couldn't help seeing how far he could take it without fully breaking the woman, sending the kyubi's lust into the woman's body to increase the pills effect. Surprisingly each time Naruto slamming his cock inside her, she started to orgasm.

Naruto didn't want to break his new toy so he hurried up and let the hot wet walls take him all the way home. He blew his load inside of Shizune that caused her to climax again. Naruto returned to normal as he pulled out.

He putted back on his lower clothing while he tossed his shirt and jacket over his shoulder, holding

them. “That wasn’t a bad start to the day, but I’m going home to take care of a few things. Make sure you two help me become Hokage if you ever want to feel that amazing again.”

Naruto headed out of the door and shut the door behind him.

8 - Home Sweet Home

~~Home Sweet Home Naruto opened the door to his house. "I'm home—"

"Naruto's home!" Before Naruto could finish his sentence, Kimiko ran into the hall dressed only in a bikini. She wrapped her arms around her brother's neck and planted a kiss on his lips. Her eyes were close and the kiss was deep as if she was welcoming her husband home from a business trip.

She stood on her toes to match her brother's height. Naruto wrapped his arms around Kimiko's waist. Kimiko ended the kiss, parting her eyes open with a loving gaze. She lowered herself back on her feet. "What's with the special welcome, Kimiko?"

Kimiko shut her eyes, rubbing the side of her head against Naruto's chest. "You haven't fucked me in four whole days. I'm starting to think I haven't been attractive enough for you. I want to do my very best to please you." Kimiko brought her arms down around Naruto's body.

"Well, if you keep welcoming me home like this I might be more inclined to reward more offend." Naruto shut the door. He took his sister's arms off of him and planted one of her hands on his crotch. "So why don't you suck my dick."

Kimiko cupped Naruto's balls. "Yes, mater." A lustful gaze held her eyes as she stared up at Naruto. She lowered herself down on her knees. "I'll even use my big boobs on your giant shaft." She moved her hands over the fabric that recovered her brother's crotch.

She unbuckled the pants unzipped to see yet another barrier that covered her master's cock. She didn't understand why her master even wore boxer's anymore, but then again he wasn't the slut. The young kunochi pulled down the underwear to be greeted by Naruto's erection.

"Don't forget to use those tits," Naruto said.

Kimiko snapped off her bra. Her large breasts jiggled around before she cupped them. She lifted them up around Naruto's cock as her mouth latched onto the tip of the cock, sucking on it that had Naruto release a heavy moan. She lowered her mouth on the cock, going all the way down to her breasts.

"That's a good girl," Naruto said.

"I thought I heard voices," the sound of another shinobi got Naruto looking up from his sister to see someone coming out of the kitchen. Kushina stepped into the hallway in no more than an apron from the kitchen, holding onto the doorway with one hand. Her other hand was over her parted mouth. Her pussy juices ran down her leg. "Naruto, you're home."

Naruto had his hand on top of Kimiko's head, guiding her across his dick. He smiled at his mother. "Oh hi, ma. Kimiko just wanted to welcome me home from my meeting with granny hokage. So where is pa at anyway?"

“Your father went on a day mission,” Kushina answered. She placed her hand over her breasts. “Did you want him to see what we finally become?”

“Nah, that can wait until I become hokage,” Naruto replied. “Speaking of which I want you two to help Sakura and Hinata gather up the mothers of my former classmates in the next few days so I can turn them into my supports.”

Kushina rubbed her legs together. “Yes, we’ll do it.” She let out a quivering breath as her breasts raised and fell as her breathing grew heavy. She stared at her children with lust. Her eyes had become lustful. “M-master.”

“Aww, do you want to suck my dick too, ma?” Naruto questioned. Kushina placed her loose fist under chin and nodded her head. “How about you give me a kiss first while Kimiko finishes having her fun.”

Kushina ran up to her son’s right side. Naruto wrapped his arm around her waist as Kushina leaned in to give him a kiss. The two didn’t wait to increase their passion. They opened their mouths, swirling their tongues around. They shut their eyes, embracing the kiss.

Kimiko moved her head up and down Naruto’s cock. She squeezed her breasts on the hot rod, getting it to throb. She sucked on the head before she turned her head on the side and went back down on the cock.

Naruto’s body heated up even more as Kushina’s covered breasts pressed against the side of Naruto’s chest. Naruto moved his hand down to Kushina’s ass. He felt a vibrator sticking out between her tone round cheeks.

Naruto wrapped his hand around the bottom of the vibrator. He shoved it further in that had Kushina press her lips harder on Naruto’s lips. Her tongue moved more wildly as she moaned. Naruto turned the vibrator on max that had his mother going crazy.

Kushina wrapped her arms around Naruto’s arm. Her body grew hotter and she wanted more than the vibrator and her son’s hand.

Naruto felt himself reaching his limits. His cum blew into his sister’s mouth that she swallowed down. Naruto moaned into his mother’s mouth before he broke their kiss. They both caught their breath.

Naruto then grabbed the knot on the back of Kushina’s apron, pulling it free. “Now get undress and undress me I’ll see what I want to do to both of you next.” He took his hands off of both of them.

“Yes, master,” they said together.

Kushina removed her apron, tossing it on the floor. She then zipped down Naruto’s jacket, taking it off of him.

Kimiko was still on her knees. She pulled down her brother’s pants along with his boxers. Naruto stepped out of them and kicked off his sandals. Kimiko stood up, pulling off her panties that were

drenched in her juices.

The Uzumaki's women worked together to lift off Naruto's shirt leaving him bare from the neck down. Naruto took off his own headband, knowing they were about to get dirty. The three then went to Naruto's room to have some fun.

-M-

Moans came from the bed.

The two vibrators that Kushina had in her were now on the floor.

Naruto lied on his bed while his sister sat on his face as he ate out of her pussy whos juices flowed into the boy's mouth. Kushina meanwhile rode on top of Naruto's cock. Her head lifted up as she moaned.

Naruto had created two clones to also help him fuck his family. A clone was kneeled behind each of the women, ramming their dicks inside their asses. The Naruto behind Kushina cupped his mother's tits. He pressed her tits into her chest and fondled them around.

The Naruto behind Kimiko used his fingers to pitch the girl's clit. Kimiko arched her back into him while her juices flowed faster into the real Naruto's mouth. The real Naruto grabbed Kimiko's breasts with his hands, squeezing them.

The clone behind Kushina turned his head in Kushina's direction. "You know, ma I think it's about time you make out with Kimiko. It really would turn me on."

The Naruto behind Kushina had Kimiko, sucking on his fingers. He had a dark smile on his face. "Yeah, he's right. Why don't you make out with ma and we'll fuck you two silly for the next hour." He took his fingers out of her mouth.

"Yes, master," they both said. They leaned forward and started to make out. They swirled their tongues around each other while they moaned into each other's mouth. The boys slammed their cocks in faster into the girls with the real one swirling his tongue around in his sister's pussy.

The girl's inner walls contracted.

The boy's dicks throbbed.

Kushina and Kimiko's tits swirled around as the Narutos slammed deeper and faster inside of them. Their juices ran out of them and over Naruto's mouth and dick. The Naruto behind Kushina lifted his head with his eyes closed, clenching his teeth. "I'm cumming. I'm cumming now!"

All three dicks blew their loads inside of the women, getting the women to climax as well. Both Kushina and Kimiko lifted their heads and moaned in total bliss. They called out Naruto's name over and over again as they felt his hot seed flood their asses and pussies.

9 - Kurenai

~~Kurenai Kurenai moaned with her eyes closed. Her dress was lifted up with her hand in her panties. Her fingers stroked across her lower entrance. Her juices flowed down her leg onto the bed. Her other hand massaged her breasts while her head faced the ceiling. "This isn't enough."

Naruto leaned up against the wall in Kurenai's bedroom, watching her masturbate. He smiled at the sight. His arms were folded across his chest. "It seems the pills are taking affect. So Kurenai sensei, what do you want right now?"

Kurenai parted her eyes and looked over at Naruto who stood beside door. She slipped her fingers inside, stroking them against her inner walls. More of her juices came out, drenching her underwear. Her body heated up more, but it wasn't enough to satisfy her. Her body desired the touch of a man and because of the strong affects the drugs her eyes were only locked on one.

"I want it, I want it bad?" Kurenai said. Her mind had gone hazy from the lustful heat that rose inside of her body. She could no longer think straight, only wanting to have pleasure and do anything to get it.

"Want what?" Naruto questioned. He walked up to the bed and got in between the woman's legs on his knees. He ripped off her panties that exposed her lewd wet pussy. "Another finger in that wet hole of yours?" He stuck his own middle finger inside her.

Kurenai let out a scream.

Naruto thrust his fingers in and out the woman. Her juices drenched his finger. Naruto's smile widened as he saw Kurenai's body quiver. He knew this wasn't what she wanted, but it was too much fun torturing her until she told him what it was.

Naruto grabbed Kurenai's breast with his other hand, moving it around. "Or maybe you want me to play with your tits. Is that what you want, sensei?" Naruto laughed at the sight. He pressed down on the boob and circled it around.

"No, I-I want your cock, Naruto," Kurenai begged. She closed her eyes letting out a quivering moan. She turned her head to the side. "I want you to ram it deep inside and fuck me until I'm unconscious, uh!"

"You got it." Naruto undid his pants and unzipped his jacket. He pulled down the front of his pants that had his cock sticking straight out as Naruto took down his boxers under his balls. He got on top of the woman.

He removed Kurenai's hands from touching her body. His cock slid against Kurenai's pussy that sent heat up Kurenai's body. She let out a moan. "Stick it in. I need that big cock inside of me."

Naruto pulled back and stabbed his cock inside the woman. Kurenai's walls instantly wrapped around

the member. Naruto groaned. Kurenai arched her back, pressing her soft breasts up against Naruto's chest. She cried out in pleasure.

Kurenai's pussy juice leaked out of her as Naruto pushed in further. The juices ran across the sheets. Her eyes opened and rolled up. "This feels amazing. Your dick is bigger than Asuma's, oh it's so fucking good."

Naruto grabbed onto Kurenai's dress, ripping it open like it was made of paper. He lifted up the bra that had her tits bounced out of the under clothing. His hands cupped the breasts, tracing the nipples with his thumb.

"I got to say your tits are perkier than I thought," Naruto said. He pressed down the nipples with his thumbs and swirled them around. An amusing expression appeared on Naruto's face while he watched Kurenai, crying out. His hips continued to move, thrusting into the sexy woman.

Kurenai gripped onto the bed as she was being fucked into the mattress by Naruto's cock. Her mind had become a total blank. She moaned over and over again as pleasure built up in her body. "Ah, Naruto...Naruto your big cock is fucking me so good!"

Naruto moved his thumb off of her right nipple, rolling his tongue around it. Kurenai's milk started to leak out. Naruto wrapped his mouth around it and sucked on it to taste the milk. His other hand squeezed on the second tit.

Kurenai screamed. Her milk squirted out, raining into Naruto's hair and drenching his hand. His cock felt so good inside her she came even though Naruto was far from reaching his end. Her juices and milk squirted all over.

Naruto kept on thrusting, getting Kurenai's body to react and get ready for another orgasm within seconds. Kurenai latched onto the back of Naruto's jacket. She kept on crying out as the teenage boy kept on pounding her.

Naruto's cock slid against Kurenai's tight wet walls that had him groaning with each thrust. He sucked on the woman's nipple more, loving the taste of breast milk. The milk flowed down his gullet and it increased his horniness even further. He felt his energy levels spike since his threesome with his family earlier.

Naruto's cock throbbed. He picked up his pace ready to release his first clip inside the woman. He felt the woman's inner walls tightened around his dick, quickly realizing she was ready to cum too. Naruto pitched her nipples with his teeth and fingers.

Kurenai released another wave of juices and milk.

Naruto's load unleashed his cum deep inside the woman's womb. He released a long groan until his cum finished spilling out. He lifted his upper body off of the woman, grabbing her leg. He lifted it over his shoulder and turned the jonin on her side.

Naruto wrapped his arm around the leg and started thrusting in. His cock pushed in deeper as

Kurenai's pussy opened up more in that position. He let out grunts each time he thrust.

Kurenai's milk rolled down her breasts and onto the bed. Her nipples rolled around and let out small squirts with everyone of Naruto's thrust. Her eyes were close, simply enjoying the fucking and getting to cum twice already. Even though she needed a rest her body still wanted to come again and again.

Naruto had one eye closed while he looked down at Kurenai. "You know, sensei if you give me your support I can give you this kind of pleasure daily when I'm crown."

"Ah, my support is all yours," Kurenai moaned. "As far as I'm concern you are Hokage! Ah!"

Naruto rammed his cock all the way inside of his latest support. He was balls deep inside of her, repeatedly slamming his cock inside her. His cock throbbed after a few more minutes of thrusting. Kurenai's inner walls tightened again.

Naruto clenched his teeth. "I'm about to cum!"

"Go ahead, fucking shot me up with your seed," Kurenai cried out. "I want to have the future hokage's children."

"Then take it all."

"Yes!"

"Ah! I'm cumming, I'm cumming!" Naruto slammed all the way inside, shooting his load inside her again. Kurenai climaxed again.

The door to the room opened.

Naruto looked back. "Ah, there you are."

Hinata stood in the doorway. She held her hands together, looking at the sight. She blushed when her sensei spotted her.

Naruto brought his attention back to Kurenai. He flipped her on all fours without taking out his dick. "Get undress and get over here so I can taste your milk. It's much better than Kurenai sensei's."

"Yes, master." Hinata quickly undressed, showing off her beautiful pregnant naked form. She moved over to the bed and climbed to Naruto's side on her knees.

Naruto had his hands on Kurenai's hips, thrusting his cock inside of her. Her juices had drenched his cock and balls. He grunt and groan as her inner walls tried to jerk him off.

Hinata lifted her breasts up to Naruto's head like an offering. Naruto turned his head in the direction of the tits, latching onto the nipples. He drank down Hinata's milk while he rammed inside of Kurenai.

He blew his third load inside her.

10 - Hinata's Harem

~~Hinata's Harem Kurenai lied unconscious on the floor of her bedroom. She lied on her side with Naruto's cum leaking out of both her ass and pussy. Her tits were continuing to squirt out milk and both her mouth and ass were sprayed in the boy's cum.

Naruto took a breath. He stood up off the bed with his pants back on. He finished buttoning them up and was about to reach for his shirt when he felt something tug on the back of his pants. "Huh?" He looked back to see Hinata still naked on the bed on one hand and her knees, pleading with her eyes. "What do you want?"

"Please fuck me, master," Hinata answered.

Naruto scowled at the girl. "You know I want to gather some more supports today and you want me to waste my energy and time on you?" Naruto pulled himself out of the girl's grip and turned around. "How dare you!?"

"I'm sorry, Naruto," Hinata responded with her pleading eyes. "It's just that seeing you having sex my sensei so many times I got..." She stood up on her knees, placing her hands over her chest, lowering her head. Her body was burning in lust.

"Fine," Naruto said.

Hinata looked up hopefully. "Really?"

Naruto folded his arms across his chest with a devious smile on his face. "You've been a good servant these past seven months and you are having my kid." Hinata was the first girl he got pregnant and she helped him enslave Sakura and Ino. "But I don't have any more time to stick around here so you'll just have to live with this..."

Naruto made the cross seal with his hands. "Multiple Shadow Clone Jutsu." Several half naked clones puffed out of the smoke. "There you go, Hinata. You have an entire harem of me to take care of your needs." All of the clones smiled.

The original Naruto grabbed his shirt and jacket off the bed. "There are twenty-four of them made to cum three times so they should be more than enough for you, still I want you to use them all up or they're just simply rape you."

While Naruto was talking he putted his shirt and jacket back on. He zipped his jacket up before he placed his hands in his pockets. He smiled down at his pregnant slave. "Have a good time, I'm going to go see Anko."

Naruto walked pass his clones in the over stuff room and walked out the door. Each of the clones stared at Hinata with evil lust. Hinata looked around at all of the blond boys.

Hey, Hinata make us all feel good.”

Hinata pressed her breasts together. “Yes, I’ll do my best.” Hinata stood on her knees at the end of the bed. “Alright, I’m up first,” said one of the clones. He stepped up in front of the girl, pulling out his cock.

The clone shoved his dick between the boobs. He shut his eyes and moaned, lifting his head. “Oh man, I love how soft Hinata’s tits are. The only ones bigger are granny Tsunade’s, but she can’t suck a dick like you can.” He looked down at the girl, clearly giving her a signal.

Hinata nodded, understanding. She lowered her head down in the cock, taking the head of the cock in her mouth. She went down on the dick while she pressed her large round tits on the cock, bobbing her head up and down the solid rod.

Her tongue rolled across the bottom of his dick. The Naruto clone lifted his head as he moaned. “Ah, that’s good. Hinata really does have the best tits out there.” He lowered his head. “Just keep sucking my dick just like that, Hinata.”

Hinata repeatedly bobbed her head up and down on the shaft. The other clones in the front row of Hinata had pulled down their pants and boxers, stroking their dicks. They all had a dark smile on their face as they watched Hinata blow off their fellow clone.

“Yeah, that’s good, Hinata. Keep it up,” said the clone.

Hinata moved her mouth around on the erected cock. She brought her head up to the tip, pitching it with her teeth. The clone couldn’t take it. He lifted his head and clenched his teeth. “Take my fucking load!” He blew his cum down Hinata’s throat.

Hinata drank down the cum. “Hey, Hinata don’t forget about us.” The clones in the front row stroked their cocks faster. They shot their cum all over Hinata’s body.

The Naruto she had just finished blowing off shoved her on her back. He got on top of her, crouching down without sitting on her stomach. He slipped his cock between Hinata’s breasts. He grabbed a hold of her tits, pressing them on his dick.

“Now let’s really give these tits a work out.” He thrust his cock between the engorged breasts. As he continued to fondle them around Hinata’s milk started to flow out of her nipples. The warm milk flowed onto his shaft, lubing it up. “Yeah, that’s it.”

Another clone moved up to Hinata, spreading open her legs. He stuck his cock inside her lewd pussy that instantly squeezed his dick. The Naruto let out a sigh of relief. He started pumping his cock inside of her. Hinata’s pussy juice dripped out of her.

Hinata arched her back and stuck out her tongue. Her eyes narrowed as she moaned. Her body heated up as the cock rubbed against her walls. The clone fucking her pussy grabbed her hips, pushing in deeper.

“Hey don’t forget about me.” Another clone kneeled down beside the woman’s head. He took Hinata’s head and placed her mouth around his cock. He guided her head across his shaft, moaning. Her tongue rolled over his side to make the cock feel even better.

The three Narutos moaned as they felt their cocks, being pleased by the girl’s body. Hinata’s head bobbed, her inner walls tightened, and breasts were squeezed on the warm cock between them. The three came, causing Hinata to climax as well.

Within moments, Hinata was on the floor, riding one of the clones in the reverse cowgirl. Said clone held his hands on her hips, pumping his cock into her pussy. Hinata had her hands on a cock on either side of her, pumping the shafts. Her mouth was turned to the right, sucking on another shaft.

Two Narutos stood in front of her, rubbing the tip of their cocks into the nipples, swirling them around. Hinata’s milk squirted on the dicks. Hinata’s body burned hot in lust. She bounced on the cock below her while her hands and mouth picked up their pace on the dicks. Her eyes were half close as she felt the massive amount of seed flow into her.

Hinata was placed on her side with her leg over Naruto’s shoulder. He slammed deep inside her cum filled pussy. Hinata would stick out her tongue and scream in ecstasy if it wasn’t for the cock stuffed in her mouth. The Naruto in front of her guided her mouth over his shaft.

Hinata’s tits swirled around in perfect circles, smashing into each other. She rubbed her expanded belly with her hand. The idea of Naruto’s baby growing inside her every second combined with his cum drove her mad with lust.

Another load went inside.

“Here we go,” a clone said. He stabbed his dick up her ass as she lied on top of another Naruto who plunged up her pussy with his cock. The Naruto behind her latched onto her hips, ramming his cock up her surprising loose butthole.

The Naruto underneath her sucked on both of her nipples at the same time as she had already licked off the cum off of them. He drank her milk like a child. His cock pushed aside her walls to pound deep inside her pussy.

A third Naruto held the base of his cock, having Hinata sucking him off. His other hand was on the top of her head. Hinata moved her own head over the cock. The sensation of the three cocks thrusting inside her drove her to total ecstasy.

Milk ran out of her boobs while her juices along with the clones’ massive loads poured out of her pussy like a waterfall. The sensation drove her to cum again. She was down on her knees in front of four Narutos.

Her hands stroked across their cocks as she switched her mouth between them. Her eyes glazed over in lust and her body continued to want more even though she had come so many times before. The four clones smiled down at her.

Hinata's thumbs and tongues rolled over the bottom of the shafts. The pleasure built up in the clones she was currently taking care of. They all let out a long groan. Their cum sprayed all over Hinata's hair and face.

Hinata opened her mouth, sticking out her tongue to gather as much cum in her mouth as she could. The four clones puffed into smoke in front of her. Hinata caught her breath, looking around. There were still twelve naked clones that needed to get off. They all stared at her with lust.

"Hey, don't forget about us, Hinata," they all said at once.

Hinata licked her lips and swallowed the cum. She looked up at them. "Of course not, Naruto."

11 - Dumpling Heat

~~Dumpling Heat Naruto placed his hand on his waist as he smiled down at his latest victim. "So how are you enjoying the toys, Anko Sensei?" Anko lied on a picnic table near the entrance of the Forest of Death. Her arms were tied around her back, her legs held open by ankle restraints, Naruto had placed an open mouth gag in her upper hole along with a vibrator turned on max in her pussy and mouth, and anal beads up her ass.

The kunochi's jacket had been ripped open with her netted shirt lifted over her large supple breasts. Her lower clothing had been discarded onto the ground. Anko's body trembled in anger and heat. The vibrators inside of her caused her juices to flow unwillingly out of her. Her eyes glared at Naruto while her mouth mumbled something.

Naruto had a dark amuse look on his face. "Aww, are you trying to say something. Too bad no one is coming here today to hear what it is. In the meantime let's turn you into another one of my slut supporters." Naruto pulled out a love lotion bottle from his back pocket.

He popped open the cap, pouring the liquid in his hand. He putted down the bottle before he rubbed his hands together. He latched his hands on the soft breasts, squeezing them. He rubbed his hands around on the boobs, getting Anko to scream.

The woman hated that she had no way to fight back. The liquid soaked into her body, making Naruto's hands and the fresh air made her tits tingled. They had become so sensitive and hot. Naruto pitched the woman's nipples.

Anko threw her head back and let out of muffle scream. Her eyes narrowed and delightful lust forced its way into her mind. Her nipples erected. Her lower body moved around desperate to break free.

Naruto twirled his finger around the right nipple. "It's amazing how easily slutty the women of this village become with just a few rough touches." He latched his mouth around the left nipple. He swirled his tongue around it.

Anko's tongue flapped around on her vibrator in her mouth. Her body grew hotter by the second as Naruto toyed with her body. Sweat rolled down her body. The kunochi's body quivered not able to refuse the pleasure she was getting from the experience.

Naruto moved the right nipple around in a circle with his fingers while his other hand descended down to the woman's pussy. He shoved the vibrator deeper inside of her. He then reached up to her clit and gave it a pitch.

She arched her back even further as her juices shot out of her in an orgasm. The vibrator that was inside of her pussy shot out of her onto the ground.

Naruto took his mouth off the tit to look back at the drench vibrator that was still moving around. "Heh, I

guess you really like being dominated, huh sensei.” He looked back at Anko’s lustful face and smiled. “It’s a good thing that’s how I like my sluts.”

Naruto went over to the bag he had brought with him that he took from Hinata at Kurenai’s house. He reached inside to take out a set of nipple clamps. He walked back up to the woman, latching them on Anko, Anko screamed into the vibrator.

The blond then picked up the vibrator that had fallen, wiping off the grass. He stuck it right back into her empty wet hole. He rested his hand waist, enjoying the show in front of him. “As fun as this is I think you need to learn to enjoy a real man’s cock.”

Anko just stared at Naruto as if she was pleading.

“Of course, you like dumplings, right?” Naruto questioned. “I suppose I could let you have some of those before I bang your brains out. Think of it as a good will gesture from your future hokage.” Naruto reached behind Anko, taking a set of black dumplings on a stick off the plate.

Naruto took the vibrator out of her mouth. He followed up by taking off the mouth gag, allowing the woman to catch her breath. She breathed heavily Naruto stuck the strange dango right in front of her mouth. “Go ahead and eat.”

“These don’t look like dumplings,” Anko said.

“They’re special dumplings,” Naruto told her. “And if you don’t eat them I’ll just jab them down your throat including the stick.”

Anko was in no position to argue. She started to eat the dumplings as Naruto fed them to her. Naruto’s smile widen as Anko ate each of the special pills Sakura and Ino had created. When the stick was eaten clean, Naruto threw the stick into the nearest tree.

The last pill went down Anko’s throat. Anko threw her head back as her back arched even further than before, screaming. A fiery hot sensation ran through out her body. Milk was created inside her breasts, enlarging them. Milk and juices leaked out of her once her body reached total ecstasy within only a couple of seconds.

Naruto unzipped his jacket. “When this is over you won’t even have a mind any longer.” He chuckled. His hands reached for his pants, undoing them and pulling out his erected cock. “You’re going to love this more than anything else.”

He stroked his own cock a few times. He then pulled out the toys from the woman’s body before he took off the restraints. He sat down on the table, placing the woman on top of his lap. He spread open Anko’s lower entrance with his fingers.

“Just look at your lewd juices pour out of your slutty pussy,” Naruto said. Anko looked down to see that her pussy juice ran out of her onto Naruto’s erection. Her arms wrapped around Naruto’s neck who was behind her. She breathed heavily.

Naruto lowered Anko's lower entrance on his shaft. The woman's inner walls instantly wrapped around the member. Naruto groaned as he felt his entire cock inside of the joinin. The woman's juices ran across his shaft.

Naruto lifted one of his hands up to Anko's breast while his other hand kept her pussy open. Naruto moved his head to the side of Anko's neck. He rolled his tongue up it and behind her neck, sending heat into the woman's body. He fondled the tit around and thrust his cock.

Anko felt overwhelm by the sensations of Naruto's body. Her body burned in ecstasy. She rolled her eyes up as she moaned. Her juices flowed with her inner walls contracting to jerk off the dick inside. Her newly created milk squirted out. Her hips moved on their own to ride the genin's big cock.

"Good, so good," Anko moaned. "This fucking dick is pounding so deep inside of me. I think I'm about to cum again."

Naruto took his hand off her tit. He used both his hands to latch onto her hips as she came down on his member. He held her down so she couldn't move.

Anko stuck out her tongue and groaned. Her eyes narrowed before she looked back at Naruto. Her body ached from being so close to coming yet not being allowed to go all the way. "Why the hell did you stop? I was just about to cum."

Naruto held her there, driving her crazy. "Do you really want to get off?"

"Yes, yes I do."

"Then support my bid for hokage and devote yourself to being my personal slut," Naruto whispered in her ear. "Then I'll make you cum. I'll fuck you silly like I promised."

Anko's body's needs overwhelmed all her better judgments. "I'll be your personal cum dumpster, future hokage." She rolled her eyes up in ecstasy as she said the words as slutty as possible.

Naruto smiled. "Well said." Naruto took one hand off her hips and stuck two of his fingers inside her mouth to suck. He rammed his cock inside of her, having her bounce on his dick. Anko's juices rushed out of her and onto Naruto's shaft.

Anko wrapped her lips around the fingers in her mouth, sucking them like a cock. Her tits jiggled up and down with her milk flying out. Her mind was gone only feeling her body being pleased by the demon fox boy.

Naruto reached his hand down and pitched the woman's clit. Anko let go of Naruto's mouth to scream. Her juices squirted out of her along with her milk. Despite that the woman had just orgasm Naruto kept on slamming his cock into her pussy over and over again.

He blew his load inside, causing Anko to cum again.

Anko fell onto the ground with her ass sticking up. A mixture of Naruto's cum and Anko's juices poured

out of her pussy. She continued to moan. Her eyes rolled up.

Naruto formed the cross hand seal. "We're not finish yet. Multiple Shadow Clone Justu!" A large puff of smoke formed behind Naruto.

12 - Naruto's Bitch

~~Naruto's Bitch Naruto stroked his dick. "Here you go, a meal perfect for a slut like you." Naruto picked up his pace on his cock. He let out a groan. His cum shot out into the dog bowl that had Tsume's name on it.

A dark grin appeared on Naruto's face. "So go and eat your breakfast." Naruto stood in the kitchen of Kiba's house. The young ninja was off on a mission with his teammates and Naruto decided to make the dog's clan girls his bitch supporters. Naruto still had his clothes on only having his cock out.

Tsume and Hana were on the ground on all fours in front of the boy. He had already stripped them of any resistance along with their clothes, placing dog collars on them. Both of them lowered their heads to their respective bowls. They lapped up Naruto's cum while the boy watched.

Naruto wondered if the other guys' mothers were going to be as easy to tame as the Inuzuka's. Still right now he would have his fun with them while his other sluts took care of gathering the mothers of his former classmates.

Tsume and Hana licked their bowls clean. They looked up at Naruto, pleading with their eyes. "What is it?" Naruto questioned. "Do you want me to fuck you now?" Both women nodded.

"Alright turn around," Naruto ordered. The two women did what he told them to do." Naruto reached over to the table where he had a bag. He dug his hand into the open bag, pulling out a couple of dildos with dog tails attached.

He got down on one knee. "Since you act like bitches you might as well have tails like one too." He shoved the dildo tails right up their asses, getting them to moan. Naruto slapped the side of Hana's ass. "Now shake those tails to show me how much you want it."

Almost immediately the two women started to sway their asses back and forth to get their tongues to wag. Naruto bared his teeth in a smile. "That's a good doggy." He latched his hands on Hana's hips and shoved his dick into her anticipating warm hot pussy.

Hana shut her eyes. She lifted her head and let out a moan from the double penetration. Her warm inner walls wrapped around the cock. Her juices flowed down her tight hole to cover the teenager's shaft.

Naruto got up on one foot to give himself some more leverage and started. His pace was hard and aggressive, knowing his Inuzuka bitch like it that way. Hana moaned every time Naruto rammed himself inside of her.

Hana barked in pleasure. "That's it," Naruto said. "Don't talk just bark, you dirty little bitch." Naruto picked up his pace inside of her. Her juices ran across Naruto's shaft, making it easier to thrust. Hana's juices dripped on the floor.

Naruto then noticed that Tsume was now wagging her tail, basically begging to be fucked. Naruto took the chance to have some more fun. He shoved two fingers into her that were instantly drenched by the woman's juices. The head of the Inuzuka clan moaned like a bitch in heat.

Naruto thrust his fingers in and out of the dripping wet pussy. Her heated walls wrapped around the fingers. Naruto's fingers rubbed well against the sex hole to get the woman to move her body around more. The tail dildo crashed against her inner walls that were in her ass, driving the woman even more crazy in lust.

"Keep on howling, you bitches!" Naruto said. He stuck a third finger inside of Tsume. His fingers picked up their pace inside the woman. He lifted up one of his fingers that stretched open her pussy. Tsume lifted her head and howled.

Naruto's cock rammed his dick repeatedly inside of Hana. The woman's walls tightened around Naruto's cock to help jerk the boy off. Naruto groaned. He pounded as deep as he could inside her along with the dildo. The woman had gone orgasmic.

Naruto stuck his fourth finger inside of Tsume. More and more juices flowed out of Tsume onto Naruto's hand. "I'm...about...to...cum!!!" Naruto slammed in each time he uttered a word. His cum exploded inside of the woman.

Hana came from the feeling.

Naruto pulled out with his cum leaking out. He blew one final squirt at the lower entrance. Hana collapsed on the ground. He then shoved his entire hand inside of Tsume to shut her eyes and screamed. Naruto then took his drenched hand out of her.

After that, Naruto moved up behind Tsume. He latched his hands on Tsume's hips while he lined up his dick with the lower entrance. He slammed himself inside, having Tsume arch her back in ecstasy. "You're even wetter than your daughter."

A dark smile graced Naruto's face. "Heh, you really are a slut." Naruto started up his pace inside the woman. It was easy for him to go deep from being well lubricated from his time inside of Hana. The woman's hole was nice and warm.

Tsume howled.

Hana was still on the floor panting, recovering from her pounding.

Naruto got up on his feet with his knees bent, ramming into his pet dog. His excitement for increasing his harem couldn't be contained. Tsume's juices rolled down on Naruto's balls and dripped onto the floor. "Come on, bark even more for me."

Tsume howled even louder. Her body grew even hotter with pleasure. Sweat poured down her body while the rest of her body reacted to getting her closer to an orgasm. Her mind had gone blank. Her inner walls tightened and heated up. Waves of pleasure shot throughout. Her breasts flopped back and

forth.

Naruto's rock hard cock throbbed. The boy felt the woman's inner walls wrap around him, stroking his against them and getting them both off. He went for harder thrust instead of speed to bounce the woman's body back and forth.

Naruto bit down on his teeth as he shut his eyes. "I'm about to cum." He slammed himself in fully each time. His white hot liquid burst into the woman's womb. Tsume along with him, letting out her loudest bark yet. Naruto pulled out, releasing the woman from her.

He stood up, stepping back from the two dog women. "Alright you two get on top of each other so I can fuck you together." Tsume moved over to her daughter, rolling her on her back. She then got on top of her, having their breasts smashed together and their pussies rubbing together. They both panted, awaiting their master's cock.

Naruto kneeled down behind them. He saw they were both leaking out a mixture of his cum along with their own juices and they still wanted more and he was going to give it to them. Naruto grabbed his own cock giving it a few quick strokes. "Now which pussy should I give it to again first."

Both women barked for him to choose her.

Naruto chuckled. "I choose...you." He slammed his cock inside of Tsume before he grabbed her hips. Tsume lifted her head over to the side, screaming. Naruto slammed his large cock inside her dick hungry pussy over and over again to get the woman off. When Naruto felt she was at her highest peak of ecstasy he pulled out.

He brought his cock down to her daughter pushing it in. Hana was just as responsive, arching her back and throwing back her head. Her and her mother's tits circled around each other to turn the woman on even more. Their juices just flowed out of them like a river.

Naruto took his cock out of Hana. He stabbed his dick in between the two women's pussies, rubbing against them both. The cock was throbbing, the woman's juices flowed and it didn't take long for all three to get off for a final time before Naruto left.

13 - Ayame

~~Ayame Ayame ran into an alleyway to take a shortcut back to her father's restaurant. She carried an empty delivery box. She panted as she hurried, wanting to help her father with the lunch rush. She failed to see someone coming in the opposite direction.

She slammed into somebody hard. She fell back and dropped onto her butt, shutting her eyes from the pain. She opened one eye. "Oh, sorry about that I was in a bit of a rush and didn't see you—" The girl picked herself up and ended up seeing who she had run into. "Naruto."

Said boy stood there unmoving. He stared at the older girl who had come running down the alleyway. Just like everyone else she looked down on him which made him resentful. Her father made the best ramen that he would never let him have. So why not take it on his daughter after all he didn't have to meet the rest of his harem until later for the big event. He might as well add to his supporters.

Ayame backed up once she saw the dark look in Naruto's eyes. "What are you doing here, Naruto?"

A smile graced the boy's face.

A sweat drop rolled down Ayame's face in nervousness. She felt unsettled from the boy's sudden happy demeanor. She took another step back just about ready to run. Naruto didn't give her the chance. He jabbed her in the gut, knocking her unconscious. Naruto caught her in his arms and leaped into the air.

-M-

Ayame's eyes tightened then release. She opened them despite still feeling weak from the earlier even with Naruto. She tried to move her arms, but they were stretch out and couldn't move. She then tried her legs, but they were the same.

She looked around to see she was inside a boy's bedroom. She then looked down to see Naruto sitting in his green ramen theme boxers between her legs. Naruto sat his legs crossed and his hands down on his ankle. Fear filled her eyes when she noticed she was completely naked.

"It's about time you woke up," Naruto said with a smirk. "It's no fun if you're asleep."

"What are you going to do?" Ayame questioned.

"Don't worry about it." Naruto reached back behind him to grip something. "Just know if you try to do something I don't like," Naruto threw a kunai right into his bed's headband above the girl's head that frightened the girl stiff, "I'll kill you." Naruto lifted himself onto his feet.

He took off his boxers, tossing them off the bed. He stepped over to bed directly in front of Ayame's face before he crouched down. He shoved his erected cock into the girl's mouth that muffled every

sound of resistance.

Naruto lifted his head and let out a moan. It was better to fuck a mouth without a gag. He started up his pace inside her mouth, thrusting his head into her throat. Her muffled moans of resistance turned him on even more. He pushed his cock in deeper.

Ayame was forced to take it; she didn't want to risk biting it and be killed by the boy. Her tongue rolled over the bottom of the shaft, tasting the dick. Her eyes narrowed as tears build up in her eyes. The hot cock shoved down deep into her throat.

Naruto groaned out of pleasure. He had his hand on top of Ayame's head, having it lift off the bed. "Ah, that's good, Ayame." You're going to make a great slut once I finish breaking you in." Naruto gazed back to see Ayame's pussy was twitching.

"Hmm, looks like you want to have some fun too," Naruto said. He reached his other hand back, pressing his hand over the girl's lower lips. He stroked his hand over the lower lips. "Ah, yeah. No doubt about it you defiantly want it."

He slid two of his fingers inside the twitching pussy. He felt the warm juices of the woman's pussy covered his fingers. The girl's inner walls wrapped around his fingers. He thrust his fingers in and out of her to get even wetter.

Ayame shut her eyes. She felt her body heating up against her will from the fingers moving inside her. Naruto's large cock throbbed in her mouth as he thrust deeper and faster inside of her. Her nipples slowly erected.

Naruto shot his cum down her throat. He pulled out, shooting the last of his load over Ayame's mouth. Naruto took his dripping wet fingers out her. He rolled his tongue over his fingers, tasting the juices.

"Alright, let's keep going." Naruto turned around on the girl, lying on top of her with his face down to her pussy. "Now let's see how you like this." Naruto used his thumbs to spread open her pussy. He rolled his tongue over the entrance.

Ayame's body wiggled around in reaction. She let out a scream when Naruto lifted up the lower half of his body and shoved his dick into her mouth to muffle her cry. Naruto raped the girl's mouth with his cock. The dick shoved back down her throat.

Naruto flapped his tongue over the entrance. He pushed his tongue into the girl's pussy. His lips pressed up against Ayame's lower lips, sucking on it. The hot feeling had Ayame moaning into Naruto's dick.

He rolled his tongue around inside the hot hole. He slid one of his hands down to the woman's ass. He pushed his middle finger into the girl's asshole. A sharp pain shot up Ayame's body and arched her back. He moved his finger around inside her that mixed pain and pleasure into the girl's body.

Naruto slapped his tongue up and down in the pussy, drinking the pussy juice. He pushed his second finger up her butt to add to the now increasing pleasure Ayame felt. His cock rammed into the girl's

mouth over and over again. Naruto added in a third finger.

Naruto's pace with his entire body in action. Both Naruto and Ayame's bodies burned in pleasure and ecstasy. Sweat poured down their bodies. Heavy moans came out of them. Ayame's walls tightened. Naruto's cock throbbed.

They both came.

Naruto pulled out of Ayame's three holes. He sat down beside the woman, folding his legs. "Now let's have some more fun." He formed the cross seal. "Shadow Clone Jutsu." Two clones puffed up beside him. Naruto then removed the binds that held the panting Ayame.

The original Naruto lied down on the bed, taking Ayame's place. Ayame was placed down on the dick while one of the clones had lubed up and slammed his dick right up her ass. The last one stood above them, having Ayame suck his dick.

The original Naruto placed his hands on her hips. He lifted her up and down on his shaft, feeling her tight hole jerk off his dick. Her juices rolled over the shaft. Naruto had his eyes closed. He lowly moaned.

"What a slut," the clone behind Ayame said. He licked behind her ear before he nibbled on top of it. "I bet you spread your leg for any guy without being tied up." He rammed his cock hard into her ass. His hands cupped her large breasts, fondling them around.

The clone who stood had his hand on the top of Ayame's head. He guided her mouth across his dick. He smiled down at the girl with a dark look on his face. "This slut just can't stop sucking my dick. I can't wait until she's fully broken in."

Ayame felt the pleasure of the three hot members pumping into her. She had instantly gotten addicted to the taste of cock. Her mind had gone blink, replaced by the physical pleasure of being gangbanged. She couldn't care less about the insults they threw at her as long as they kept on giving her their cocks and the milk inside.

All the boys' cocks throbbed.

Ayame moved her body on her own to get Naruto off. She moved her head to the side to suck the dick in her mouth even better. Her body burned in bliss ready to release her hot sexual joy.

"Damn it, she's so tight I'm going to..." the Naruto clone said.

"Yeah, me too."

All three blew their cum inside just as Ayame came. Naruto's clone disappeared before Ayame collapsed on the bed. Naruto took a breath. He sat up on the edge of the bed, dropping his arms between his legs. "Well, that blew off some steam." He faced the door. "I wonder if Tenten is any good."

Naruto stood up. "I still have time before I have to meet Ma and the others." He smiled. "It could be fun

impregnating another girl my age.”

14 - Tenten

~~Tenten Tenten entered her room, shutting the door behind her. She took off her backpack followed by her large scroll that carried all of her weapons. She placed them securely down on the ground, before letting out a sigh to show just how exhausted she was.

The kunochi rubbed the back of her neck, turning her head to the side with her eyes closed. "Man, that was a rough mission, but at least I get to relax." She turned her head forward. Before she could open her eyes she heard the sound of kunai stabbing into the door behind her.

"You shouldn't let your guard down like that."

She opened her eyes to see a shirtless boy sitting on her bed with his head down and his arms down in his lap. The boy lifted his head to reveal that he was... "Naruto." Her eyes shimmered in shock and fear. "What are you doing here?" Two kunai had impaled themselves on the girl's right with the other one on left.

Naruto got off her bed and walked up to the girl. He slammed his hand above the girl's head, staring straight into the kunochi's eyes. "I came here to make you my slut." Tenten was about to respond when Naruto brought up his other hand, shoving one of his special pills into the girl's mouth as she opened it.

He covered her mouth, forcing her to swallow it. Tenten then tried to reach for her scroll that was lean up against the wall, but Naruto quickly grabbed her by the wrist. "You shouldn't be trying to harm your master it's rude."

"You're not my master," Tenten protested. She wasn't so weak as not to be able to stand up against a boy that was younger than her even if he did defeat the akatsuki. She would break loose and make the boy regret trying to rape her.

Naruto took his hand off of the door and reached down for her shirt. He ripped open her shirt that caused her to scream from the rash action. Naruto reached his hand into her shirt, grabbing her breasts. He moved her tit around with a smug smile on his face.

"Hmm, not bad. These could actually be fun to play with." He kept up his rough treatment of her boob.

"Stop it," Tenten shouted. She lifted her head and cried out.

"Don't tell your master what to do." He finished ripping open the kunochi's shirt. He reached back behind her and snapped open her bra. He followed up by shoving his hand into her pants and through her panties.

He stroked his hand against Tenten's pussy. Tenten yelped. Naruto pressed himself up against the girl. He brought his mouth to her ear to whisper his dark passionate words. "Do you feel that? Heat,

pleasure, you wanting my cock inside every one of your holes and your desire to be mine and bend to my very will."

Tenten partly opened her eyes. She let out a moan. "No, you're wrong."

"Don't lie to your master," Naruto said in irritation. He pulled his hand out of her pants and grabbed her by her shoulder. He threw her on the ground as he turned around with the girl down on her legs and elbows.

He stepped up behind her. "I guess I'll have to teach you to be honest with yourself and your master. Lucky, I've gotten very good at it." He got down on his knees as Tenten dared to try to crawl away from him. He grabbed her by the back of her pants and lifted her up on her knees with her butt sticking up.

He yanked down her pants along with her panties to reveal both her lower holes to his eyes. A smile broke out on his face. He grabbed both cheeks of her ass with his hands. He spread them apart. "Tell me, does this feel good." He stuck his thumb inside of her.

Tenten shut her eyes and screamed at the feeling. She had never had something stuck up her ass before she was a virgin in that area. Her face became heated. Tears ran down her cheeks. "Naruto,...stop this please."

Naruto narrowed his eyes, but still held an amuse look on his face. "What did I tell you about being honest?" He started to move his thumb in and out of her causing her to cry out. "I'll just have to teach you like the rest of my bitches."

He took his hands off of Tenten's ass. He unbuckled his pants and undid them with his boxers sticking out. He pulled down the front of his pants and boxers to reveal his rock hard cock. He pressed the tip of his cock on the girl's lower lips. He slid his lower head against the entrance that welcomed him by twitching and dripped with her juices.

"Luck for me I know all bitches love a rock hard cock, especially mine," Naruto said. He grabbed onto the girl's hips while he continued to slide his dick against the girl's pussy. Rather Tenten wanted to or not her hips shook with anticipation.

"Aww, all you had to do was be honest and you could already have my cock inside you already," Naruto taunted. He shoved himself inside of the kunochi. Tenten screamed, lifting her head. She felt the warm member invade her body. Her body grew hot and her inner walls reacted.

Naruto let out a small groan. The boy shut his eyes, slightly lifting his head and let out a groan. "That's good. I just love young pussies like yours." He then looked down at Tenten with a smug gaze. "But you know you're still not as satisfying as Hinata."

Tenten glared back at Naruto. "Hinata? Don't tell me you—ah?" Before Tenten could say anything else Naruto started to move inside her. His cock rubbed against her inner walls, heating up. Her pussy reacted by getting wetter to cover the dick in its juices.

Tenten's boobs rubbed against the ground as her body rocked back and forth from Naruto's pounding.

Lowly she moaned, trying her best not to let Naruto know how much she or at least her body was enjoying being fucked by him. Thanks to the pill her body was already ready to cum as it heated up more and more by the second.

Naruto slammed into her again. Just as he pulled out Tenten couldn't take it anymore and came. Naruto was far off from cumming, slamming his dick into her over and over again to get the girl hot and yearning within a matter of seconds. Her juices flowed faster and her walls tightened to jerk Naruto off.

Her fingers curled up a bit. Her mind had gone hazy as she heavily panted from the heighten ecstasy. "Good, uh it's good..." The will to try to resist being fucked were quickly fading away. She came again even though Naruto's cock hadn't even started to throb yet.

Naruto pounded in harder. The base of his cock slapped up against the girl's entrance that was dripping wet her juices running down the girl's leg and over Naruto's cock. "Come on, I want you tell your master how much you love his cock. Tell me how much you want me to fuck you, slut!"

Tenten shut her eyes, moaning. "Uh, uh, I want it, I want my master's dick. I want him to slam it deep inside. Ram it all the way inside. Fuck me until I have your baby."

Naruto smirked. That was all the encouragement he needed. "That's better. I told you to be honest with yourself and look how good you feel now. You're just a slut that's dying for cock just like every other Konoha woman." The head of his cock repeatedly hit into the girl's womb.

"Yes, it's good, it feels so good," Tenten moaned.

Naruto's cock throbbed. He picked up his pace inside of her while her walls tightened around him and he was ready to release. He slammed in one last time, blowing his load right inside her womb, causing her to cum as well.

Tenten let out a long moan.

Naruto pulled out of the girl, letting his cum sip out. "Ah, I better cut this short I don't want to be late for the big event this afternoon."

Tenten let out a moan. She shook her hips in protest, looking back at Naruto with clear lust in her eyes. "Please, fuck me more. I want to be filled with your cum, Master."

Naruto chuckled. "Fine, you can come with me and get fucked all you want there. As long as you do what I tell you to do first."

"Anything," Tenten said.

15 - Ecstasy of the Mothers

~~Ecstasy of the Mothers Yoshino opened her door. A smile appeared on the Nara woman's face. "Oh, Hinata. What are you doing here?"

The pregnant Hyuga had her hands down in front of her with a smirk on her face. Without the slightest sign Hinata struck the woman in the gut with her gentle fist. The woman coughed, falling to the ground unconscious. Hinata looked at the woman with a cruel amusement. "Naruto, I got you another one." She chuckled lightly.

-M-

Yoshino slowly woke up in a room. "What, what happened to me?"

"Glad, you're finally awake."

Yoshino looked around to see that the room was large and held several other mothers of Konoha inside it. She then gazed over at the walls to see Sakura, Hinata, Ino, Tenten, Kushina, and Kimiko who all seem amused at their plight.

"What is going on around here?" Yoshino tried to move her arms when she realized they were tied behind her back. She then remembered what happened to her before she woke up here and turned to the girl who struck her. "Hinata! What is the meaning of this!?"

"Ah, don't be mad at her." Naruto stepped in front of the Nara woman, getting her attention. Naruto smiled down at her. "She was just following my orders."

Yoshino's eyes shimmered. "Naruto." Her eyes narrowed as she glared at the blond boy. "You made her do this?"

Naruto dropped down on one knee, resting both arms on the other one. "You'll be just as obedient soon enough." Naruto reached into his pocket, pulling out another of his special pills, putting it into his mouth.

He grabbed Yoshino's cheeks, squeezing them together to push out the woman's lips. He planted his lips on top of hers. He slid his tongue into her mouth, pushing the pill into her. He swirled his tongue around, forcing her tongue to dance along with his.

Naruto let go of her, breaking the kiss. He smiled at the woman that would soon be his slut. Yoshino just glared at him. She spit the pill out right into Naruto's face. The pill rolled on floor. Naruto wiped the spit off of his face.

"I was trying to be nice," Naruto said. He shoved the woman down on her back, having her yelp. He spread opened her legs. "Now, I'll just have to break you the old fashion way." He reached down and

ripped off her panties.

Mebuki Haruno leaned forward. "Leave her alone!" The woman was pulled back by the collar on her neck. She looked back to see her daughter behind her. "Sakura."

"Don't interfere, mother," Sakura said. She smiled. "You shouldn't worry, you'll get your turn with master soon enough."

"What has this boy done to you?" the woman questioned. "What about your husband Sasuke?"

Naruto lifted himself up from Yoshino. "Ha, Sasuke can't compare to me." Naruto looked over at the woman along with Ino, Hinata, and the other mothers that he had the girls gather for his pleasure and command. "How about I show you why your daughters will only serve my rule."

Naruto made the cross hand sign. "Multiple Shadow Clone Jutsu." Naruto filled the room with half naked clones of himself. "You women that never gave me the time of day are about to give your complete attention to me for the rest of your lives."

The clones attacked each of the women. They tore off their clones like paper as the women screamed for help and their own daughters. Mebuki was thrown onto her front on top of one of the clones. The clone shoved his dick into her pussy, having her scream. Another Naruto kneeled behind her. "Let's see how you like this?"

He shoved two fingers into her ass. Mebuki screamed since she had never once had something up her back entrance. The woman's painful look excited the clone. He didn't give her any chance to get use to his fingers, thrusting his fingers around in her butt.

"Stop it, stop," Mebuki barely managed to get out.

"What? But then how are you ever going to be able to deal with a cock if I don't get it nice and loose," the clone taunted. He stuck a third finger inside of her. He picked up his pace with his finger, feeling the warmth of the buttocks.

"I don't want a cock inside there." Tears ran down the woman's face.

The Naruto below her had his hands on her hips. He pumped his dick into her pussy. The woman's juices poured out of her onto his shaft. "Maybe not, but you sure like a dick in your pussy. It's basically swallowing my dick."

Hinata's mother was held up with her legs spread open from the Naruto behind her. The one in front of her and behind her had their cocks shoved inside of her. They rammed inside of her at the same pace, hitting deeper into her at the same time and then retracted.

The woman couldn't help moaning. Her breasts bounced up and down from the thrusting. Her juices ran out of her and dripped to the floor. The clone in front of her sucked on her tit as he watched the woman's face. Hinata's mother had her eyes closed. She continued to moan, feeling the cock send pleasuring heat up her body.

Ino's mother was down on all fours. A clone was behind her, ramming his dick into her pussy. He grunted with each thrust. "Uh, man this pussy isn't bad. I'm going to have to reshape it for my cock." The walls squeezed on his cock.

On the other side another clone was kneeled in front of her. His hand rested on the woman's head. He guided the woman across his shaft. He smiled down at the woman as she willingly sucked his dick even if it was so he wouldn't harm her daughter.

The other mothers in the room were crying out in pain that transformed into ecstasy. They were all being gangbanged by Naruto's clones. They thrust into their asses, pussies, and mouths, heating up their bodies. They smacked their ass while they toyed with their breasts. The clones even jerked off in their hair and tits

Naruto had Yoshino down on her side. He had her leg over his shoulder while he thrust his cock into her pussy. Yoshino's eyes were rolled up as she let out heavy moans. Naruto grabbed one of her breasts, moving it around. "It looks like you didn't need a pill after all. You're a slut by nature."

"N-Naruto," the boy heard the shy voice of Hinata. He looked over at the girl and saw that she and the rest of his current sluts were touching themselves.

"What is it?" Naruto asked. He kept on moving his cock in and out of Yoshino. Her juices ran down her leg and drenched his cock. He thrust into her warm hole, but it was looser than he was use to so he had to work harder to get himself off. His cock pumped against the walls.

"What about us?" Hinata asked. "We brought you all the women you told us to bring just like you wanted so can we-"

"Huh? Haven't you sluts had enough from earlier?" Naruto questioned.

Kimiko fondled her breasts and rubbed her pussy through her clothes. "But seeing you with all these other women," she shut her eyes and lowered her head, "it makes us want to be in there places."

Naruto focused back on Yoshino. He wrapped his arms around the leg over his shoulder. He pumped in harder. "Oh alright, go pick out a clone to fuck you. Just one I need the others to turn these sluts into supporters."

Each of them nodded, just happy to fuck Naruto. They stripped out of their clothes and picked a clone that was basically jerking off in women's face. Hinata wrapped her arms around hers neck. She planted her lips on his that quickly turned into a French kiss.

Sakura went down on her knees. She pulled down her clone's pants, cupping his balls. Her mouth wrapped around the head of the cock. She swirled her tongue around it. She bobbed her head up and down the shaft.

A Naruto clone had Kushina up against a wall. He pounded his dick inside her awaiting pussy. Kushina had her arms and legs wrapped around the boy, making out with her son. Her soft tits rubbed up against

the clone's bare chest. Their tongue danced around each other.

Ino's clone lied underneath her while she rode him. Her eyes were closed while her body bounced on top of the dick. "UH, uh, it feels so good. Yes, uh master's cock is fucking my pussy so good." Her inner walls squeezed the cock.

Tenten lied face down on the ground. The Naruto clone she picked out shoved his cock right up her ass. Her breasts slid against the ground. "Yes, yes, fuck me right up the ass. Ram your big cock deep inside me." The clone grabbed onto her hips, ramming into her harder.

Kimiko lied on the floor. Her Naruto clone lied on top of her, thrusting his cock into her drenching wet pussy. His mouth was down on her tit, sucking on her nipple. One hand was on her hip while the other one fondled the breast he wasn't sucking. Kimiko's back was arched. She moaned out in bliss ready to cum.

The real Naruto shot his load right in Yoshino's face as the woman panted. He smiled. "Now will you give me your support for Hokage?"

Yoshino licked her lips. "Yes, Master Naruto."

16 - ANBU Slavery

~~ANBU Slavery “Let me go right now,” Yugao said. She glared at Naruto who stood in front of her in just in pants and jacket that was zipped down. The Anbu woman’s arms were bond above her head and tied to the ceiling of Naruto’s room. She had been stripped out of her clothes and her feet were tied up as well.

“You were the one who spied on me and granny Tsunade while she we were having some fun,” Naruto said. “I couldn’t have you go around blabbing about what you saw.” Naruto stepped toward the woman. “That might ruin all of my plans.”

“What exactly are you planning you, demon fox?” Yugao questioned. She narrowed her eyes.

Naruto stared at the woman with a smug look. “Yeah, like I tell you so you can just tell everybody about it.” Naruto smiled evilly at the woman. “But I’ll tell you what. Once I turn you into my slave I’ll tell you all about it.”

Naruto pulled out a dildo shape vibrator out of his pocket. “So let’s get to it.” Naruto stepped right in front of her.

Yugao’s eyes opened wide. “Stop this right now.”

Naruto shoved the vibrator into the woman’s mouth. He turned it on to medium, having it move into the woman’s mouth. Naruto crouched down to be level with the woman’s pussy. “It’s really too bad I’m out of pills I could have you broken in minutes, but the old fashion way works too I guess.” Naruto rubbed his hand against her pussy.

Yugao wiggled around, trying to resist everything Naruto was trying to do. Her screams were muffled by the vibrator. Drool ran down the side of her mouth. She shut her eyes.

Naruto looked up the woman’s naked form. “Scream all you want the only ones here are you and me. My parents and sister are out for the entire night so we can all the fun we want before my dad gets back.”

Yugao looked down at Naruto. If she could just last until Minato got home she would be free.

Naruto rubbed his hand faster against the Anbu’s lower entrance. “Hmm,” Naruto moved his hand quicker a bit frustrated, “ah, there we go.” Naruto took his hand off the entrance feeling it get wet. “You’re getting wet.” Naruto showed his hand to the woman.

“You’re just like every other woman in Konoha, a slut that wants my dick, but I give it to you I’m going to train this body of yours a bit.” He grabbed Yugao’s hips as the woman struggled. He brought his face up to the pace, giving it a lick.

Yugao shut her eyes and lifted her head. She hated this. She felt her body working against her as Naruto teased her entrance with his tongue. Her juices flowed into the boy's mouth and she knew the demon child was enjoying all of her embarrassment.

Naruto's tongue rose up to her clit. The tip of the tongue twirled around the area. He then brought his mouth up to it, kissing it that had the woman screaming more. She wrapped his mouth around it and sucked on it.

Yugao tilted her head and screamed more into the vibrator. Her body burned blissfully as her clit erected. He lifted two fingers up to the dripping lower lips, pushing them inside. Yugao lowered her head and moaned lowly.

Naruto thrust his fingers inside of her twitching wet entrance. Her fingers were drenched in the woman's juices while he pushed his fingers around in the tight walls. "You think a kunochi would use her pussy a lot more than this. Oh, well I like them tight like this."

The blond ninja took his fingers out of the woman. Yugao was thankful, believing she might cum in a few more minutes under the boy's touch. She wondered if this was how the young ninja had gotten to Lady Tsunade. She couldn't fall or Naruto would continue whatever mad conquest he had started.

Naruto went over to his bed where he had his sex bag. He brought it over to the woman, pulling out two more vibrators that were shaped like dicks. "Now let's plug up your other holes." He shoved one into her pussy then went around and thrust the other one into her ass, setting them onto two different speeds.

Yugao's body trembled from the feeling.

Naruto then took a small vibrator and tapped it over her clit, turning it on. Yugao lifted her head, biting down on the vibrator that was in her mouth. Naruto pulled out love lotion. He putted some on his hands and rubbed them together.

The sadist boy got up on his feet and grabbed Yugao's breasts as hard as he could to get the woman to let out more muffled screams. He rubbed in lotion on her breasts, making sure to get them nice and wet. "Ah, there we go."

Naruto went back to his bag to pull out a set of nipple clamps. He putted them on her as Yugao tried to break so he couldn't. Her body had grown weak with pleasure. Her body burned hotter from the lotion Naruto putted on her.

"I'll let you enjoy that for a little while." Naruto walked back over to his bed and sat down. He placed his hands on his knees, letting out a breath. He watched as the woman struggled and felt pleasure from the toys Naruto putted in and on her.

Yugao's body trembled and wiggled around unable to break free or fight off what Naruto had set in motion. Her nipples harden from the pitching clamps and the teasing of her clit. Her juices flowed out of her like a river. Her body burned up in ecstasy and her mind had gone blank. Sweat poured down her body.

“Come on, you can do it.” Naruto rested his cheek on his fist. He stared as Yugao rolled her eyes up, losing it. “Give it up. Once you do I’ll fuck you myself.” Naruto chuckled.

The vibrators moved around inside her three holes. Her clit was vibrated in pleasure. Her body couldn’t take it anymore. She came. Her juices squirted out, shooting out the vibrator in her pussy. She screamed into the vibrator.

Naruto stood up. He formed the cross hand seal. “Shadow Clone Jutsu,” he announced, creating a clone beside him. They both stripped out of their clothing and walked over to the woman who was still moaning as the toys continued to play with her body. “Now it’s time you experience the real thing.”

Both Narutos took the toys off of her only leaving the vibrator in her mouth. The clone also untied her legs. The real Naruto lifted her legs, spreading them apart so he could stare directly down at her pussy. “You just won’t stop leaking. Allow me to plug it up for you.”

Naruto pushed his dick inside of Yugao’s lower lips. She screamed into the vibrator. She lowered her head down to the side. Naruto’s clone grabbed onto the woman’s hips before he shoved his dick up into her ass. Yugao arched her back, throwing back her head.

The clone slid his hands up Yugao’s body to cup her breasts. He gave the fun bags a squeeze, moving them around. “She’s a total slut. I can’t believe she gave in after cumming just one time.” He started up his pace inside her ass.

“What do you aspect from the women around here?” Naruto questioned. He thrust hard inside of the beautiful Anbu’s pussy. Her juices have run over legs and dripped onto the floor. Her pussy tightly gripped onto Naruto’s cock getting it off.

Yugao had already stopped resisting, allowing the boys to do whatever they wanted to her body. The clone behind her licked behind her ear. He fondled her boobs around even more to heat up the kunochi’s body.

Yugao’s inner walls tightened around the two members inside her. The cocks rubbed up against her walls that had gotten her growing closer and closer to ecstasy. Her juices drenched the real Naruto’s cock that allowed him to thrust in faster.

Naruto licked up the side of Yugao’s neck. He picked up his pace inside of her feeling himself growing hotter. “Man, she’s tight. She really wants to swallow my dick with her hole.”

“Tell me about it,” the clone said.

Both boys’ cocks throbbed.

They both picked up their pace as Yugao lifted her head, moaning into the vibrator. Naruto clenched on his teeth. “I’m cumming!” Naruto slammed his cock in fully, blowing his load into her womb. Naruto pushed his cock all the way into her as he shot his load.

The clone took a heavy breath. He looked at the original. "Hey, do you mind if I have her suck my dick now."

"Nah, we need to break in all of her holes." Naruto and his clone pulled out their dicks with their cum leaking out. Naruto untied the woman's hands.

Yugao took this as her chance. She spun around, taking the vibrator out of her mouth and swung it at the clones phase to turn him into a puff of smoke. She ran for the door, knowing right now she didn't have the strength to fight.

Naruto reached out and grabbed the woman by her hair. He pulled her back, slamming her on her back. He stood above her really pissed off. "I guess I haven't broken you yet."

17 - Second Round

~~Second Round Naruto putted a mouth gag in Yugao's mouth.

He bound her arms behind her with rope.

He threw the woman on her front, having her breasts on the ground. The boy kneeled behind her. "I haven't broken that stupid mind of yours, but if I can break old granny I'm sure I can break you too." He spread her cheeks open.

He placed his head between her ass cheeks. He circled the tip of his tongue around the outer entrance of the woman's buttohole. The woman's body trembled. She wanted to resist, but she was in no position to stop him.

Naruto pushed his tongue inside her. Yugao's eyes opened wide, her tongue stuck out, and she screamed. Her head lifted up and shut her eyes. Naruto flapped his tongue around in the woman's ass to force her body to heat up.

Yugao shook her head. Tears ran down her eyes in order to keep herself from enjoying it. She needed a second chance to escape. She wouldn't mess it up. This she swore to herself. Her mind struggled to hold on instead of fading away into pleasure.

Naruto kept on moving his tongue around inside the Anbu's ass. Naruto slid one of his hands down over her belly. He descended it down to the woman's lower entrance, rubbing against the wet entrance that was still dripping. The lower lips twitched with anticipation.

Yugao brought her head down, turning it to the side. Her mind fought with everything it had to resist the boy's touch. Her body trembled with need. Her pussy reacted as Naruto touched and stroked it, feeling better than whenever she played with it.

He lifted the hand that was on Yugao's pussy, circling one that went around the erected clit. He gave it a pitch, playing with it. Yugao went crazy, trashing around as much as she could. Naruto shoved two of his fingers into the woman's pussy.

He stroked inside of her with the walls tightening around the fingers. More and more juices poured out of her and over his hand. He pushed two more fingers inside of her. He moved his fingers in rougher and faster. He then thrust his entire fist into her pussy, sending both pain and pleasure into Yugao's body.

Yugao's body fought against her mind and came.

Naruto took his mouth out of the Anbu's ass, taking a breath. "Stupid slut, I'm going to make you cum so many times you'll be addicted to it." Naruto pulled his fist out of the pussy that drenched it in its juices. Naruto formed the cross hand seal.

“Shadow Clone Jutsu.” A puff of smoke appeared beside him to create a clone of himself. The clone moved up to the front of the woman. He grabbed the top of the woman’s head and pulled it up. He shoved his dick inside her mouth.

“Now you’re going to suck my dick like a good girl,” the clone said. He forced Yugao’s mouth across his shaft, feeling her tongue roll across the bottom. He lifted his head, shut his eyes, and groaned. His body heat grew higher.

The Naruto clone pushed his cock down Yugao’s throat. He held the woman’s head still. He thrust his cock in and out of her mouth. “This is fucking awesome.” He moaned even more as his cock started to throb.

The real Naruto grabbed a hold of her hips. He lined up his cock with her dripping wet pussy and pushed his cock inside of her. He let out a small groan. Yugao’s inner walls wrapped around the cock and covered it in its juices. Naruto pounded deep inside.

Yugao’s breasts flapped back and forth. Sweat rolled down her smooth skin and body. Small droplets fell off of her nipples onto the floor. Tears ran down her eyes as she was forced to enjoy the fucking. The two cocks rocked the Anbu woman’s body back and forth.

Naruto’s cock throbbed. They rubbed against her insides that made Yugao’s body feel more and more pleasure against her will. Her juices flowed faster. Her inner walls tightened, her mind slowly gone blank, and her tits swirled around.

“I’m going to cum,” the clone said.

“Yeah, so am I,” Naruto said. He picked up his pace inside of her as Yugao’s walls fully wrapped around his cock. He thrust his whole cock down Yugao’s throat, blowing his load down it. Naruto then slammed his member inside, shooting his load to fill up her womb.

“Ah, that wasn’t a bad start.” Naruto made the cross hand seal. “Multiple Shadow Clone Jutsu.” He created two more clones before he and the other clone pulled their dicks out. One of the clones lied down. Naruto rolled Yugao on her back on top of the clone that lied down.

The clone on the floor grabbed a hold of the woman’s hips and shoved his dick up her ass. The real Naruto moved in front of her, keeping her legs spread open. She rammed his member into her pussy that was still dripping from the earlier fucks. The last new clone sat on the Anbu’s stomach, sliding his dick between her breasts. He pressed the boobs together against his cock and started to move.

The last clone kneeled beside her head. He turned her head in his direction and pushed his cock into her forced open mouth. “Now we’re talking. We’re going to turn this slut out and make her beg for it like the others.”

The clone underneath her moved his head over to the side of her neck, giving it a lick up to her cheek. “How do you like to have so many dicks inside your slutty body?” he whispered. “It’s better than playing with dildos right?” His cock thrust hard into her ass that warmly tightened itself around his member.

“Her breasts are pretty good.” The Naruto sitting on top of her swirled her breasts around as the nipples stayed erect against his palms. He thrust his cock in between the breasts. The soft tits against his rock hard cock felt so good.

The last clone guided Yugao across his dick. Her tongue slid over the side of his cock while the rest of her hot mouth moved over the shaft. “Ah, she really needs to learn to suck a dick on her own. What kind of kunochi can’t do that?”

“That’s why we’re here,” the real Naruto said. “We’re going to teach this bitch how to be a proper woman in our Konoha.” He thrust his cock into her pussy. He felt his dick rubbing up against the wet walls.

Yugao felt her body burning hot. The four dicks rubbing against her skin and insides that sent heated waves up her body. Her mind was slowly growing weaker than ever along with her mind slipping away from resistance to pleasure.

All four blew their loads.

The real Naruto pulled his cock out of her as he caught his breath. He stood up and walked back up to his bed. He putted his hands down on his legs while his clone that fucked the tits moved down to the woman’s pussy.

“Take over for me,” Naruto said. “Fuck her until you each disappear.”

“Yeah.” The three clones thrust their cocks in and out of Yugao.

Naruto stuck his thumb in his mouth and bit down on it. “I don’t want pa getting home too soon and ruining all my plans.” He smiled. “He’ll suffer the same as every other guy after I become Hokage. Until then, I’ll let him have a little fun with our family so he ends up helping me instead.”

He chuckled to himself. He formed the cross hand sign. “Shadow Clone Jutsu.” Another clone appeared beside Naruto. He looked over at him. “Go get dress and find my mom and sis and tell them to distract dad for a couple of hours. While you’re at it have mom convince dad to approve my bid for Hokage since I’ll need some male support too.”

“Can I fuck sis while I’m there?” the clone questioned.

“After she’s done distracting dad and nothing that will give away our plans,” Naruto responded.

“Yeah, I know,” the clone replied. He went over to the closet while the others kept on fucking Yugao. He grabbed a set of clothes and putted them on. He opened the door and left to give the message to his sex slaves.

The three remaining clones shot their loads inside the trembling Yugao. Her eyes rolled up in ecstasy.

18 - Distraction

~~Distraction

Kimiko finished washing her hands in the bathroom at the restaurant she and her parents were at. She quickly dried her hands and headed for the door. She stepped back and her eyes opened wide at the sight ahead of her. "Naruto."

Naruto stood in front of the door with his arms folded over his chest with a smile on his face. "What's the matter, sis? You don't look happy to see me."

Kimiko smirked. "Not at all." She ran up to her brother, wrapping her arms around him. She pressed her breasts against his chest. "Did you come here for me, Master?"

Naruto pushed her off him. He pulled out a folded piece of paper from his pocket and handed it over to his sister. "Easy, I need you to follow this note and the give it to ma without out pa seeing it. If you both do well I'll reward you."

Kimiko took the note and bowed her head. She opened up the note and quickly read the contents of Naruto's plan. She folded it back up and bowed her head to Naruto. "I won't fail you."

"Good, we can have some fun later," Naruto said. He left the girl's bathroom.

Kimiko lifted her head and smile. "Father, its time you support my brother."

-M-

"There you are, Kimiko," Minato said. He waved over to his daughter so she would come over. Kimiko went over to where her parents sat; slipping the note Naruto gave her to her mother before she sat down across from her father. "What took you so long there?"

Kimiko waved it off. "Oh, just some girl stuff. Let's get something to eat now."

-M-

Kushina lead Minato into the middle of the training ground. "Kushina, what are we doing here?" Minato questioned. Their daughter had excused herself after dinner, saying she needed to go home and check on Naruto while Kushina told Minato she wanted to show him something.

The red hair woman turned around still holding the blonde woman's hand. "Do you remember when we first made love here?" she asked.

Minato chuckled lightly. He blushed at the thought of his own wild youth. "Why are you bringing that up all of a sudden?"

Kushina rested her head on Minato's chest, closing her eyes. She placed her hands on his chest as well. She gently rubbed her cheek against him. "I thought we could do it again."

"You mean right now?" Minato questioned.

Kushina looked up at him. "No one is around and I'm sure Naruto and Kimiko will be alright for the night." Her eyes pleaded with him and Minato suddenly couldn't help himself. He lowered his mouth down to hers, locking lips.

The two wrapped their arms around each other. They deepened their kiss by opening their mouths and slipped their tongues into the others mouth. Their tongues danced around each other. Their eyes were now close.

Heat rose up in both of their bodies. Kushina's hand fell on the zipper of Minato's jacket, pulling it down. She then reached inside it, rubbing her hand against his chest.

Minato descended his hands from Kushina's waist down to her ass. He gave each cheek a squeeze that made Kushina mean inside his mouth. He broke the kiss to catch his breath. He stared down at his wife with lust.

They quickly stripped out of their clothing.

Minato laid Kushina out on the ground, being on top of her. He stared into her eyes, feeling as if she wasn't all the way there, but couldn't exactly figure out why. She seemed different from what she used to be. He would need to ask her why.

Kushina brushed her hand through his hair and gave him a smile.

But he would do that later. He lowered his head down and kissed her again. He moved himself between her legs as he grabbed a hold of his cock. He gave it a few hard strokes to get himself fully erect. He lined up his cock with the woman's lower entrance.

He let go of his dick and interlocked his hand with Kushina's. He pushed his cock inside of Kushina's lower entrance. Her juices flowed out of her hole.

Kushina arched her back as the dick inched its way inside her. She let out a moan. Her walls wrapped around the member and her juices flowed. Her eyes were closed.

Minato kissed the side of Kushina's neck. It felt so soft and tender. He settled in to begin. He slowly pulled his cock halfway out with Kushina's juices, pouring onto the glass. He thrust himself back inside.

Kushina felt her husband's cock rub against her inner walls. It didn't feel as good as when Naruto fucked her, but she needed to distract Minato for as long as she could. She let out loud moans just the way the blond man liked it.

Minato groaned each time he thrust inside of her. "Uh, Kushina. You're so tight." He clenched his teeth.

Kushina pretended Minato was Naruto, turning her on. "Yes, give it to me harder. Uh, oh yeah. That's it." Her breasts flapped up and down, brushing against Minato's hard chest.

Minato's mind had gone hazy, only feeling the pleasure of his wife body. Sweat poured down his face. Droplet of sweat fell from the tips on his hair.

"Ahhh, Minato!!!" Kushina screamed.

Minato picked up his pace. His grunts got loader and rougher as his cock pumped faster inside of Kushina. He lowered his head. He left a trail of kisses around Kushina's neck to heat up her body.

Minato's cock throbbed.

Kushina wrapped her free hand around Minato's back. She moaned even louder than before. She thought about her son banging her with two of his clones, making her body grow hotter. She reminded herself to only call out her husband's name and not her son's.

"I'm about to cum," Minato moaned.

"D-do it outside," Kushina cried out.

Minato was a bit surprised by what Kushina said. He pulled out at the last second and spilled his seed on Kushina's stomach. He then blinked at her, confused. "Kushina, why did you have me-uh."

Kushina rolled him over and lied on top of him. She placed her hands on top of her shoulders and sat up. She rubbed her dripping wet pussy against her husband's still rock hard cock. "I just wanted us to have a little more fun first."

"I still don't understand."

Kushina smiled. She lowered her hands down to Minato's chest and lifted herself up. She lowered herself down on the cock.

Her inner walls enveloped the member, getting the man to moan. She bounced on top of the cock with her juices rolling down it. Her boobs bounced up and down along with her. "Ah, it feels so good."

Minato held onto Kushina's hips while he watched the woman ride him. The woman's body still felt so good even after all these years. Her inner walls contracted around his dick. They both moaned in ecstasy.

Kushina slammed down to the base of Minato's cock. "Deeper, yes, give it to me harder. I want it, I want it." She dropped herself on the cock repeatedly.

Minato moved his hands upward. He grabbed a hold of Kushina's breasts, fondling them around. He squeezed the soft sacks and moved them around in circles. He clenched his teeth as he felt himself reach his limit again.

Kushina moaned even more.

Minato shot his load deep inside of her. He let out a long groan.

Kushina collapsed on top of him. They both were catching their breath. Kushina saw this as her chance to talk to Minato about supporting Naruto for Hokage.

-M-

Back in Naruto's room, the ANBU woman had finally gone mad with lust. She had her legs opened with her fingers keeping her pussy open. She had cum leaking out of all three of her holes. "Please give me more, Master."

Naruto smiled as he knew she meant it.

19 - Reward

~~Reward Kimiko ran down the streets of the village, rushing home. She was desperate to see her brother so he fuck her like he promise. Her body burned up in lust just thinking about her master. She ran past an alleyway when a hand reached out and grabbed her.

The hand pulled her into an alleyway. Kimiko was about to break free of the grip and fight when she saw who it was that grabbed her. "Naruto."

Naruto pulled her in and gave her a kiss. He just as quickly broke it and wiped his lips with the back of his hand. He pointed to himself with a smug look on his face. "I'm good for three shots."

"Three shots?" Kimiko questioned. "So you're just a shadow clone."

Naruto shoved Kimiko down on her knees. "Watch it, I'm still more important than a slut like you. So use that mouth for something useful or you won't get any reward at all."

"Yes, Master." Kimiko licked the bulge of the clone's pants she reached up and undid the pants. She pulled them down along with the boxers. The lower clothing fell down around the clone's knees.

Kimiko wrapped her hands around the cocks. She opened her mouth, letting out a hot breath. She flapped her tongue over the head of the cock. She rolled her tongue around it before she wrapped her mouth around it.

The kunochi slowly bobbed her head up and down the shaft. Her tongue rolled over the bottom. Her hands moved down to the base of the cock.

Naruto shut his eyes. He lowered his head and let out a low moan. He felt tingling pleasure rise up his body, feeling the full pleasure of his sister's mouth.

Kimiko had her eyes closed. She picked up her place on the shaft, dying to have the clone come in her mouth. Slight moans came out of her mouth.

"Yeah, that's it," Naruto moaned. He rested his hand on top of Kimiko's head. He guided her across his dick. "Give it to me faster."

Kimiko picked up her pace on the cock. She lowered one of her hands down to the boy's balls and slowly massaged them. Tingling pleasure went up Natsu's body. He lifted his head and moaned even more than before.

Kimiko took her mouth off of Naruto's cock. She lifted the dick up, rolling her tongue over the bottom of the member. She then moved her tongue over each side of the cock, before she wrapped her mouth back around the head.

She started to bob her head up and down on the shaft again. She massaged Naruto's balls quicker than before. Kimiko rubbed her legs together in anticipation as she felt herself, getting wet. Her panties were soaked.

Naruto moaned even more.

Kimiko felt Naruto's cock throbbed inside her mouth. Her tongue slid across the bottom of the hot member. She moved her mouth across the shaft even faster to get the clone off. Her eyes were partly open and hazy with lust.

Naruto grabbed his sister's hair, thrusting his cock down her throat. He shot his white hot seed down her throat. Kimiko drunk it like a refreshing drink. She took the entire load down into her stomach.

Kimiko took her mouth off of the cock, taking a breath. She looked up at Naruto and smiled. "Thank you for the meal." She rolled her tongue over her lips in the most sexiest way she could think of. She took her hands off of Naruto.

The horny kunochi stood up and pulled down her lower clothing. She turned toward the nearest wall and pressed her hands on it as she bent over. She stuck her ass right out to Naruto. She looked back at her brother, shaking her hips.

A lustful gaze held in her eyes. "Please stick your big cock inside of my ass."

Naruto's teeth clenched together as he smiled. "I guess since I have three shots in me I can give each hole a good fucking. He stroked his own dick a couple of times, getting excited by the idea.

He grabbed a hold of Kimiko's hips and lined the tip of his dick with her asshole. He pushed his dick inside of her. Kimiko arched her back, lifted her head, and stuck out her tongue. She let out erotic noises.

Kimiko's lower lips twitched. Her juices dripped out of her onto the ground and running down her legs. Her body grew hotter.

Naruto pushed his cock all the way inside of Kimiko, having the base push up against her soft round cheeks. He pulled out halfway and then started up his pace inside her. His cock rubbed up against her hot inner walls.

"Ah, yes...oh, yes," Kimiko moaned. She rolled her eyes up in ecstasy. "Your big cock is fucking my ass so good. Oh, it's pounding so deep inside me. I can't take it, ah, I can't take it." Her breasts flopped up and down inside her shirt.

"Uh, uh, you're such a slut," Naruto groaned. "I can't believe ma and pa liked you better than me all these years."

"Oh, yes you're right," Kimiko moaned. "I'm a slut for my big brother's cock. I love it more than life itself. I love it when it pounds up my ass. Ah, ah, uh." She kept on moaning not caring who heard. Luckily no one was around the area.

Kimiko's body grew hotter as Naruto kept on thrusting his dick into her. Her body bounced from every thrust. She could barely keep herself up even with the support of the wall. She felt so good her tongue hung out like a bitch in heat.

Naruto felt his cock squeezed by Kimiko's inner walls. He felt the heat from the hot hole that made him groan. He had his eyes close. He picked up his pace, feeling even better than before.

Naruto's cock throbbed like crazy. Naruto clenched his teeth not wanting to get too loud in public. He rammed his cock all the way into her over and over again. Naruto felt himself reaching his second end. "I'm about to cum."

"Please cum inside of me, Master," Kimiko begged.

Naruto slammed his dick all the way into her one last time. He blew his load up his sister's ass. Kimiko screamed, cumming as well. Her juices shot all over her legs and Naruo's feet. Naruto held himself for a moment, keeping Kimiko's asshole plugged up.

He pulled out, allowing his cum to leak out. The clone then pushed his dick straight into her lower hole that welcomed him with a tight grip. Both siblings let out a moan. Naruto felt the wet warmth of the hole.

Kimiko's juices lubed up Naruto's dick as he started to pump himself inside her. Her juices rolled down the shaft and trickled down to his ball sack. Kimiko's inner walls wrapped tightly around the member.

Kimiko moaned in bliss.

Naruto leaned over Kimiko more to be balls deep inside her. He lifted one of her legs up, thrusting into her faster.

Kimiko moaned even faster than before.

Naruto flipped her around and had her wrap her legs around his waist. Her arms then wrapped around his neck. Naruto grabbed onto Kimiko's hips. He rammed his dick up her pussy over and over again.

Kimiko's juices dripped out of them. "Yes, yes..."

Naruto pounded into Kimiko for several minutes. His cock throbbed hard ready to explode. "I'm about to shoot my load deep inside you. Take all of it."

"Yes, Master."

Naruto thrust his cock fully inside, blowing his cum straight into her womb. Kimiko cried out in ecstasy as she'd orgasm. The clone then puffed into smoke, dropping Kimiko.

Kimiko caught her breath as she touched herself. "I-I still want more." She managed to stand up and walked back home to have sex with her real brother.

20 - The Night before Conquest

~~The Night before Conquest “M-master Naruto,” Hinata shuttered. She lifted her head with her cheeks blushing red. The Hyuga girl was down on all fours naked with a dog collar around her neck. Her body burned hot as she stood in the middle of the Hokage’s office.

Vibrators were plug inside her ass and pussy that had her juices flowing. Her body quivered with pleasure. Hinata was in perfect shape as she had her baby three months ago. She loved the small child that was hers and Naruto’s, though Sasuke knew nothing about it or the fact that Sakura and Ino’s were Naruto’s either.

Naruto sat behind the Hokage’s desk. He smiled down at his most loyal pet. “Tomorrow is the big day. I’ll officially become Hokage of this village that cast me aside.” The blond hair boy slammed his hands on the desk and stood up.

Thanks to him enslaving basically every woman in the village with his dick they encouraged the men to help elect Naruto as the new hokage. Tomorrow he would become the official Hokage and take his revenge on the leaf for what they had done to him. Still that didn’t mean he couldn’t have some fun with Hinata tonight.

Naruto walked around the desk toward his sexy little slut. He unzipped his jacket to reveal his bare skin underneath. He grabbed a hold of his crotch. “I bet you’ve been looking forward to this all day.”

“Y-yes, Master,” Hinata said in a hot breath.

Naruto undid his pants. “Since you’ve been such a good girl, I guess you deserve a nice little treat.” He pulled down the front of his green boxers to reveal his semi-erect cock. He looked down at the girl. “So go ahead and get to work. You want to drink my cum don’t you?”

Hinata nodded. “Yes, Master.” The girl got up on her knees as her body still quivered in pleasure from the vibrators inside of her. She wrapped her hands around the member lifting it up.

She gave the bottom of the head a few licks. She followed up by swirling her tongue around the top of the cock that got the shaft to grow in length. The kunochi slid her hand over the growing shaft.

Hinata wrapped her mouth around the tip of the cock, giving it a kiss. She slowly lowered her mouth down on the dick. Her tongue rolled across the bottom that brought further pleasure to the soon to be Hokage.

Naruto’s back stiffened up. He lifted his head, shut his eyes, and let out a moan. “Ah, that’s good.” Tingling pleasure shot up his body as he felt Hinata’s hot mouth moved across his dick.

Hinata brought one of her hands down to the base of Naruto’s cock. Her other hand descended down to her own body. She grabbed a hold of her large soft tit, moving it around. Massaging her own rack

while sucking Naruto off really turned her on.

Her head bobbed up and down the length. The taste of Naruto's cock was intoxicating to her that drove her to want more. She enjoyed the heat that radiated from it. Her eyes descended shut as she focused on her mouth sucking Naruto off.

Naruto lowered his head, looking down at the busty girl. "Hey, don't just use that slutty mouth of yours. Use those nice big tits of yours too."

Hinata took her mouth off of the cock. "Yes, Master." She cupped her soft and large rack that she wrapped around the member. Hinata's large tits felt so good against his hard cock. Naruto let out a moan.

Hinata moved her breasts around the shaft, looking up at Naruto. "How does it feel, Master? Does it feel good?"

"Yeah, but start using that mouth of yours again," Naruto ordered.

Hinata licked around the head of the cock. She then wrapped her mouth around the head, bobbing it while she also kept moving her tits around the lower half. She moved her tongue all around the bottom side of the cock.

The cock throbbed.

Naruto clenched his teeth. "Just a little more."

Hinata picked up her pace. She felt the cock throbbing madly in her mouth and against her tits. She bobbed her head for a couple of minutes. Naruto let out a long moan as his cum shot out of him and into Hinata's mouth.

Hinata swallowed the load like it was a refreshing drink. She squeezed her breasts tighter against the member. Her mouth slowly came off of the cock. The girl caught her breath while she still cum inside of her mouth.

She released a hot breath with her tongue sticking out. Her body was still burning with desire. She swallowed the cum that was in her mouth. Her body trembled in need as she placed her hands down between her legs.

A pair of hands cupped her ass. "Hey, lift this ass up so I can have some fun with it." Hinata looked back to see a second Naruto. She wasn't sure when her master made a clone of himself and didn't care. The clone had already stripped out of his clothing only wearing his headband.

Hinata got up on all fours, lifting up her ass. She shook her hips like a bitch in heat, dying to have a real cock inside of her instead of the plastic one. Her juices flowed over the vibrator that was inside her pussy and she really wanted to cum.

The clone took the vibrator out of her butt and dropped it to the floor. He used his thumbs to stretch

open her butthole. "This bitch's asshole is just begging to be fucked. I think I'll start out with my tongue." He had a dark amuse look on his face.

He lowered his mouth down between her butt cheeks. He pushed his tongue inside of the black hole. He flapped his tongue around inside of the girl. The muscles in the hole tighten around the tongue while it moved around inside the heated hole.

Hinata lifted her head and let out a moan. The Naruto in the front of her wrapped his hand around her chin. "Now don't forget about me." The original had taken off his jacket and pulled his pants and boxers down to his knees. He was also down on his knees.

He then moved his hand on top of Hinata's head. He shoved his dick inside of her already open mouth. "Now make sure you get us both off." He forced her head to roughly bob up and down his shaft.

The clone took his tongue out of Hinata. The tip of his tongue trailed over the rim of the hole that helped him become fully erect. He took his mouth out of her ass and replaced it with his dick. He shoved his member straight in that had Hinata arch her back.

The Naruto clone groaned as he felt the hole tighten around his dick. He grabbed a hold of her hips and started to thrust into her. He roughly rammed his dick into her. He shut his eyes, enjoying the ride. He moaned with every thrust.

Naruto rammed his cock down Hinata's throat. Hinata's breasts flopped back and forth from the thrusting of the two men. Her body grew hotter as the dicks rubbed against her inside. Her mind was blank as she only felt the two dicks.

The two cocks throbbed madly.

Both Narutos picked up their pace.

They both slammed fully inside. Their loads shot out and filled Hinata's body with both sides as the boys moaned. The real Naruto took his cock out of her mouth. His clone then pulled Hinata back as he lied on his back with her on top of him.

Naruto moved between his clone and the girl's legs. He pulled out the vibrator that was in her pussy. He threw the object off to the side.

A smile spread across his face. He grabbed her nice soft breasts while he stuck his cock into her dripping wet hole. He moaned. The warm wetness of her juices drenched his rod. He moved Hinata's boobs around the circles.

Both Narutos started thrusting their cocks inside of her bottom holes. Hinata moaned louder as they pounded deeper inside her. Hinata's body bounced on their cocks as she came closer to climaxing by the second.

All three come together.

Naruto looked down at Hinata. "That's enough for tonight. I don't want you too tired for tomorrow's event."

21 - Revenge

~~Revenge A week later.

Minato watched in utter shock and horror. His arms were bound behind his back as he sat up against the wall in his bedroom. He had been drugged earlier that morning so he couldn't do a thing even if he wanted to. His mouth was open and yet he couldn't speak a word.

In front of the shocked shinobi was his wife and daughter naked and on top of each other. Their breasts were smashed together as they moaned out Naruto's name. Naruto stood on his knees completely naked as well. He held onto Kimiko's hips while he pounded into Kushina.

The women's eyes rolled up in exhaustion. Their nipples swirled around each other that slowly hardened as sweat ran down their bodies. Hot breaths left their mouths and their juices poured out of their holes and running across Naruto's shaft.

Naruto looked right over to his father, looking him straight in the eye with a smile on his face. "So what do you think, pa? I've been fucking ma and sis for months now. They both say they love my dick more than anything else in the world, including you."

Minato's eyes shimmered with horror.

*

"You never let me have any of your Ramen no matter how much money I had," Naruto said. "Now how does it feel to see your daughter being fucked by my dick," Naruto stood in front of Ichiraku's Ramen.

The Naruto clone stood there bare naked, holding Ayame's legs open as he held her up. The girl faced in her father's direction with her eyes rolled up in ecstasy. Her tongue was also stuck out. Ayame's breasts bounced up and down as Naruto moved her up and down his cock.

The girl's sweet juices flowed out of her and onto Naruto's dick. Ayame moaned in complete lust. Her body heated up as she felt Naruto's dick rub up against her inner walls. Her back arched into Naruto's chest.

Naruto let out heavy breathes.

Teuchi was forced to watch the sight, being tied to his bar. His body trembled from horror. "Stop this right now, Naruto!"

*

"This is so amazing, Shikaku," Yoshino moaned. She was being thrust into from behind. Her juices flowed across the shaft. Her eyes rolled up and her body felt it was on fire from the pleasure was getting.

Both Shikamaru and Shikaku looked at the women in utter disguise and shock. She lied on top of Shikaku in their bed with Naruto ramming his cock into her pussy. He held onto her hips. "Yeah, tell them you like it," Naruto said.

The two Nara males were bonded to the bed and like every other male in the village drugged beforehand so they wouldn't be able to resist. Yoshino's naked body rubbed up against Shikaku's clothed one.

Shikaku hated the fact that he was getting aroused while this was happening, but his mind couldn't stop his body's reaction to being touched. He bit down on his teeth.

"Something the matter?" Naruto asked.

*

"Naruto, you bastard," Kiba cursed. The dog boy was so badly drugged he didn't even need to be tied up and just sat in a corner. His body trembled as he struggled to try to move. He clenched his teeth with one eye closed. "You're going to pay for this one once I can move again."

"Yeah, it's not my fault your family is filled with bitches," Naruto said. One Naruto thrust his dick right up Tsume's ass. Kiba's mother moaned like a bitch in heat. She stood on all fours, facing her son.

"Maybe you should have learned to be nicer to people," Naruto went on. A second clone sat on top of Hana. He held her breasts against his dick while he shoved the tip of his cock inside of her mouth. Hana moaned into the cock.

"Damn you," Kiba said.

Naruto laughed.

*

Rock Lee and Guy were bonded to training poles in the training ground. The two watched as Tenten was down on her hands and knees. One Naruto clone was fucking Tenten from behind while another one shoved his dick inside her mouth. Tenten only had on her shirt that was broken open.

The Naruto in the front had his hand placed on top of Tenten's head. "This teammate of yours is a real slut."

"Naruto, you're a true fiend," Rock Lee stated.

"Ha, you haven't seen anything yet," the Naruto in the back said. He thrust his cock deep inside of Tenten's pussy. The kunochi's inner walls tightly wrapped around the member. Her juices flowed down her hole.

A lustful gaze filled her eyes.

*

If Sasuke could use his sharingan right now he would, but with the drug that flowed through his body perverted him from using any of his chakra. He was bound and placed against a wall on his side as he was forced to watch his wives gangbang the new hokage.

Sakura rode on top of one of the Naruto's cocks. On either side on her was another clone. She held their cocks in her hands, pumping them. Her thumbs ran across the bottom of the shafts. She flapped her tongue over the tip and then went over to the other one. The Naruto below her held onto her hip.

All three clones moaned.

Ino lied in between two Naruto clones. Her breasts were smashed against the lower Naruto's chest. Both Narutos had their hands on her hips. Their cocks pumped into her pussy and ass that swallowed the members.

Lastly, Hinata was held up by two other clones. The two Naruto clones were standing, thrusting their cocks into Hinata's lower holes. Hinata moaned in ecstasy. The Naruto in front cupped one of Hinata's large breasts while he sucked on the nipple of the other one.

The Narutos moaned and groaned in pleasure.

"It really was unfair that you got to have three sexy sluts all to yourself," one clone said. "Now none of them want you. So much for the mighty Uchiha clan."

Sasuke's mouth was gagged so he couldn't say anything.

A smile spread across the real Naruto's face. The new hokage sat in his seat at his new desk, only wearing his hokage hat. He rested his elbow on the armrest with his fist placed against his chest.

Down on their knees in front of him were Tsunade and Shizune. Tsunade bobbed her head on Naruto's rock hard shaft. She rolled her tongue over the bottom of it. Her hot mouth felt so good on it, it made Naruto lose his composure and moan.

Shizune was further down, sucking on the young man's ball sack. She twirled her tongue around the ball. She kissed the ball then went over to the second ball sucked on it in a desperate attempt to make Naruto come.

Naruto laughed. "This village is all mine now and so are all of its women. The guys can all get the hell out after they finish watching me screw their women."

Throughout that entire day Naruto and his clones screw the women of Konoha with no one able to stop him.-The End-
